# DUVAL COUNTY PUBLIC SCHOOLS *CODE OF STUDENT CONDUCT*

## INTRODUCTION AND PHILOSOPHICAL BASIS

Instruction should occur in an environment that is conducive to learning. Good order and discipline are essential to effective instruction and to the ability of students and school personnel to work cooperatively toward mutually recognized and accepted goals. The rules outlined in the Code are designed to ensure that this primary reason for the existence of school is achieved. Any behavior that prevents learning from taking place is unacceptable and will result in the appropriate consequence.

To assist students, parents, administrators, and school personnel in maintaining such an environment, the *Code of Student Conduct* will:

- ❖ Identify classifications of violations and describe procedures for disciplinary actions
- ❖ Identify formal disciplinary actions
- ❖ Standardize procedures for administering formal disciplinary actions
- ❖ Describe roles of the home, student, school and school personnel
- ❖ Describe rights and responsibilities of all students and parents
- ❖ Outline general code of appearance
- ❖ Describe rights of disabled students relating to discipline
- ❖ Inform parents and students of the district's Internet Safety and Acceptance Use Agreement

It is the responsibility of both student and parents to know the rules of the Code and to support the fair and impartial administering of the rules. With age and maturity students will be expected to assume greater responsibility for their actions. Students are responsible for accepting the consequences for actions that may violate the *Code of Student Conduct*.

It is the responsibility of school personnel to be aware of the specifics of the *Code of Student Conduct* and to apply them appropriately. It is the responsibility of the school to convey information regarding individual school policies and procedures to students and parents via a school planner or through other appropriate means.

The School Board and personnel appointed at the district level are responsible for ensuring that the *Code of Student Conduct* and the consequences for the identified violations are legal and fair. The Board is also responsible for conveying to the community and parents/guardians, that once these conditions are met, the actions taken by the local school will be supported for the good of the school system and the community as a whole.

***Should you have any questions regarding the Code of Student Conduct, please contact the assistant principal at the school level or call Alternative Education Programs and Behavioral Support at 390-2081.***

**PARENTS ARE REQUIRED TO READ, SIGN AND RETURN TO THEIR STUDENT(S)' SCHOOL(S) FOUR (4) DOCUMENTS THAT APPEAR ON PAGES 57 through 60 AT THE END OF THE *CODE OF STUDENT CONDUCT*.**

(Additional copies are provided for parents to keep for their records.)

## CLASSIFICATIONS OF VIOLATIONS

Violations of the *Code of Student Conduct* are grouped into four classes:

❖ Minor	Class I
❖ Intermediate	Class II
❖ Major	Class III
❖ Zero Tolerance	Class IV

Each classification is followed by a disciplinary procedure that is to be implemented by the principal/designee.

It is understood that when a violation of the *Code of Student Conduct* occurs, the student's explanation shall be heard by the principal/designee before determining the classification of the violation. The principal or designee will review each case, including all documentation provided by staff and other witnesses, individually before assigning consequences. Florida Statutes 1003.31, 1003.32, 1006.07, and 1006.09 describes responsibilities of the school principal or other designated staff.

Classroom teachers will address general classroom disruptions by taking appropriate in-class disciplinary actions. These include, but are not limited to, personal calls to parents, parent/teacher conferences, referral to a guidance counselor, etc. If such measures do not desist the disruption, a disciplinary referral is appropriate. (Failure to bring notebook, pencil, books, required materials and equipment to class, or failure to work in class, are not cause for disciplinary referrals.)

### SPECIAL NOTES

**NOTE I: REPEATED VIOLATIONS:** Repeated violations of the *Code of Student Conduct* in school and/or on the school bus will be considered willful disobedience and/or open defiance of authority resulting in possible suspension or expulsion from school and/or the school bus for the remainder of the school year or a specific period of time.

**NOTE II: HAZING:** There shall be no type of hazing during any district sponsored event, club, organization, or class within the school or off campus. Hazing shall be defined as any action or situation for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of the school which recklessly or intentionally endangers a student's mental or physical health or safety. Acts of hazing shall be addressed and will result in the appropriate consequence being administered in accordance with the *Code of Student Conduct*.

**NOTE III: SEARCH AND SEIZURE:** Federal and state laws grant individuals reasonable expectations of privacy and freedom from unreasonable search and seizure of property. Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety and welfare of all students. Students may be subject to search of person or property if a reasonable suspicion exists that the student may have violated the *Code of Student Conduct* or state or federal law. Be advised that, upon reasonable suspicion, student lockers and other storage areas (including, but not limited to, motor vehicles, book bags, pocketbooks, notebooks, pockets, etc.) may be searched. Additionally, school personnel are permitted to conduct administrative searches for weapons and other contraband absent reasonable suspicion. Administrative searches shall be carried out with a neutral plan for execution and in the least intrusive manner. Schools are permitted to use metal detectors to assist in this effort.

**NOTE IV: PROHIBITED ITEMS:** Be advised that students will be held responsible for prohibited items in their personal control, such as items located in vehicles, book bags, clothing or items belonging to someone else.

**NOTE V: TECHNOLOGY-BASED INFRACTIONS:** Technology-based infractions may result in a suspension or limited access of network and/or Internet access. Alternative instructional materials may be provided.

**NOTE VI: BUS RIDING PRIVILEGES: Bus riding is a privilege, which may be revoked. Misconduct by any student while riding a school bus represents a serious threat to the safety of all occupants of the bus as well as other motorists, pedestrians, and members of the community. Parents are urged to discuss with their children appropriate school bus conduct in order to ensure bus safety. All students who misbehave while riding the school bus will be disciplined according to the *Code of Student Conduct*.**

A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions, such as out-of-school suspension. Students are required to attend school. Bus suspension does not affect or excuse school attendance.

**Suspension or revocation of school bus privileges applies to all vehicles in the Duval County Public School Transportation System. This does not apply to transportation authorized by School Administration for field trips. Students with disabilities (Exceptional Education Students other than Gifted) and students with Section 504 Plans may be suspended from the bus for up to three (3) days at one time.**

**NOTE VII: COUNSELING AND/OR TREATMENT: A student may be required to obtain counseling and/or attend a recognized treatment program at parental expense and show proof of completion of such counseling or program. Such offenses may include, but are not limited to, substance abuse, stalking, threats, intimidation, bullying, harassment, or acts motivated by hate or bias.**

**NOTE VIII: FORFEITURE OF SENIOR PRIVILEGES: A senior student who commits a Class III or IV violation, described in the *Code of Student Conduct*, shall forfeit the right to participate in graduation exercises and other senior-related activities until the student has successfully completed all assigned consequences and disciplinary actions. School Board Policies and Procedures regarding assignment to alternative centers shall apply to students who commit a Class III or Class IV violation.**

**NOTE IX: COMPENSATION FOR ACTS OF VANDALISM: A student who willfully damages school property, a school bus, or bus equipment shall be properly disciplined. The parent(s) or legal guardian of a minor student (or the student, if he/she is an adult) shall reimburse the owner of the bus for restoration or for replacement of any damaged school property in accordance with the true value as **determined** by the appropriate administrative staff. Students who damage school property, a school bus or bus equipment shall be subject to disciplinary action according to the *Code of Student Conduct*.**

**NOTE X: EXPULSION: The School Board has the sole authority to expel students pursuant to Florida Statute 1006.07. The School Board may expel a student from school based on grounds specified in the *Code of Student Conduct*. “Expulsion” means the removal of the right and obligation of a student to attend a public school under conditions set by the district school board, and for a period of time not to exceed the remainder of the term or school year and one (1) additional year of attendance. Expulsions may be imposed with or without continuing educational services and shall be reported accordingly.**

**The Duval County School Board will conduct an expulsion hearing for a student found to have committed a Zero Tolerance Offense, even if the student withdraws from the Duval County Public School after committing the offense.**

**NOTE XI: TESTING RESTRICTIONS: During FCAT and other testing which is determined by the principal or his/her designee, students may not have any electronic or recording devices, such as cell phones, pagers, or electronic games, in their pockets, at their desk or anywhere they can reach them, before, during, or after the testing session. Possession of any electronic device that reproduces, transmits, records, or calculates (except for the FCAT calculator), will result in the student’s test being invalidated.**

**NOTE XII: BUS SAFETY:** Pursuant to Florida law, each passenger on a school bus that is equipped with safety belts or restraint system shall wear a properly adjusted and fastened safety belt at all times while the bus is in operation.

**NOTE XIII: STUDENTS WITH DISABILITIES:** The discipline for students with disabilities at school or on the bus, as outlined in the *Code of Student Conduct*, is in compliance with Federal Law IDEIA '04, Section 504, and state and local regulations.

Accordingly, DCSB will not tolerate bullying or harassment against any student, employee, visitor, volunteer or agent who works on school-related activities, subject to the control of school officials. This policy shall be interpreted and applied consistently with all applicable state and federal laws and employee collective bargaining agreements. Conduct that constitutes bullying and harassment, as defined herein, is prohibited.

**A. DCSB prohibits bullying of any student or school employee, volunteer or agent:**

1. During any education program or activity conducted by DCSB,
2. During any school-related or school-sponsored program or activity or on a school bus;
3. Through the use of data or computer software that is accessed through a computer, computer system, or computer network of DCSB. The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary action.

Students with disabilities who engage in a Class III offense may be suspended from school or bus for up to three (3) days, pending a district Conduct Review Committee meeting. The purpose of the Conduct Review meeting is to determine whether the violation committed by the student is a manifestation of the specific disability. If the Conduct Review Committee determines that the offense was not a manifestation of the student's disability, the student may be disciplined in the same manner as a student without a disability. If the Conduct Review Committee determines that the offense was a manifestation of the student's disability, the student shall be referred back to the school for appropriate behavioral planning through an IEP Team meeting and/or the Re-evaluation Referral Team determination of program appropriateness. In certain offenses involving illegal drugs, controlled substances, weapons and/or serious bodily injury and following a Conduct Review Committee meeting and a referral to the Hearing Officer, the student may be placed in an interim alternative educational setting without regard to whether the behavior is determined to be a manifestation of his/her disability. *(Parents should contact Intervention Services at 858-6353 if they have any questions about these procedures.)*

If the Section 504 Team determines that the offense was not aligned with the student's disability, the student shall be referred for appropriate disciplinary action. If the Section 504 Team determines that the offense was aligned to the student's disability, the student may not be subjected to a disciplinary change in placement for more than ten days. Additionally, a series of small removals exceeding ten total days over the school year may establish a pattern of exclusions that are considered a violation of Section 504 regulations. In certain offenses involving illegal drugs, controlled substances, weapons and/or serious bodily injury and following a Conduct Review meeting and a referral to

the Hearing Officer, the student may be placed in an interim alternative educational setting without regard to whether the behavior is determined to be a manifestation of his/her disability.

Students with disabilities who engage in a Class III offense may be suspended from school or bus for up to three (3) days, pending a district Conduct Review Committee meeting. The purpose of the Conduct Review Committee is to determine whether the violation committed by the student is a manifestation of the specific disability. The student will be suspended for ten (10) days, and will be referred to the School Board Hearing Officer (see section on Procedures for Administration of Formal Disciplinary Action, pages 35– 37). Missed work shall be made up for **all** absences, which includes suspension. It is the student's and/or parent's responsibility to request assignments during the suspension period. A day of make-up work shall be allowed for each day of absence, when appropriate, pursuant to the Student Progression Plan, Appendix D. Each student shall receive full credit for such work.

Students sixteen (16) years of age and older who commit a Class IV offense and have attended Grand Park Center may be recommended for expulsion.

### **Criminal Offenses**

Students who commit criminal offenses will be referred to the appropriate law enforcement agency in addition to action taken by the school.

**NOTE: Court action does not dictate or govern school disciplinary action.**

### ***Students with Disabilities***

Students are to be involved in planning for disciplinary action or suspension from school or bus and updating the Individual Education Plan (IEP), as appropriate.

Students with disabilities who engage in a Class IV offense may be suspended from school or bus for up to three (3) days, pending a district Conduct Review Committee meeting. The purpose of the Conduct Review Committee is to determine whether the violation committed by the student is a manifestation of the specific disability. If the Conduct Review Committee determines that the offense was not a manifestation of the student's disability, the student may be disciplined in the same manner as a student without a disability. If the Conduct Review Committee determines that the offense was a manifestation of the student's disability, the student shall be referred back to the school for appropriate behavioral planning through an IEP Team meeting and/or Re-evaluation Review Team determination of program appropriateness. In certain offenses involving illegal drugs, controlled substances, weapons and/or serious bodily injury and following a Conduct Review Committee meeting and a referral to the Hearing Officer, the student may be placed in an interim alternative educational setting without regard to whether the behavior is determined to be a manifestation of his/her disability. *(Parents should contact Intervention Services at 858-6353 if they have any questions about these procedures.)*

Provisions for expulsion, which is a change in placement, invoke procedural safeguards ensured by state and federal statutes.

### ***Students with Section 504 Plans***

Students with Section 504 Plans may be suspended for up to three (3) days at one time.

Parents/guardians are to be involved in planning for disciplinary action or suspension from school or bus through the updating of the student's Section 504 accommodation plan.

A student with a Section 504 Plan who engages in a Class IV offense may be suspended from the bus for up to three (3) days, pending the outcome of a Section 504 Team's manifestation determination meeting. This decision involves the determination of whether or not the violation committed by the student is a manifestation of his/her disability. If the Section 504 Team determines that the offense was not aligned with the student's disability, the student shall be referred for appropriate disciplinary action. If the Section 504 Team determines that the offense was aligned to the student's disability, the student may not be subjected to a disciplinary change in transportation for more than ten days. Additionally, a series of small removals exceeding ten total days over the school year may establish a pattern of

exclusions that are considered a violation of Section 504 regulations. In certain offenses involving illegal drugs, controlled substances, weapons or serious bodily injury and following a review by the school's Section 504 Team, the student may be placed in an interim alternative educational setting without regard to whether the behavior is determined to be a manifestation of his/her disability.

#### **Bus Offenses Committed by Students with Disabilities**

Students with disabilities may be suspended from the bus for up to three (3) days at one time per incident.

**NOTE:** A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions such as out-of-school suspensions. **If Transportation is identified in the IEP as a related service OR if a student with disabilities is transported to/from school via bus, then the days of bus suspension(s) are considered as days of out-of-school suspension IF, as a result, the student is unable to attend school and therefore is denied access to services documented in the IEP.** Bus suspension does not excuse students from attending school.

Students with disabilities who engage in a Class IV offense may be suspended from school or bus for up to three (3) days, pending a district Conduct Review meeting. The purpose of the Conduct Review Committee is to determine whether the violation committed by the student is a manifestation of the specific disability. If the Conduct Review Committee determines that the offense was not a manifestation of the student's disability, the student may be disciplined in the same manner as a student without a disability. If the Conduct Review committee determines that the offense was a manifestation of the student's disability, the student shall be referred back to the school for appropriate behavioral planning through an IEP Team Meeting and/or Re-evaluation Review Team determination of program appropriateness. In certain offenses involving illegal drugs, controlled substances, weapons and/or serious bodily injury and following a Conduct Review Committee meeting and a referral to the Hearing Officer, the student may be placed in an interim alternative educational setting without regard to whether the behavior is determined to be a manifestation of his/her disability. *(Parents should contact Intervention Services at 858-6353 if they have any questions about these procedures.)*

#### **Bus Offenses Committed by Students with Section 504 Plans**

Students with Section 504 Plans may be suspended for up to three (3) days at one time per incident.

Parents/guardians are to be involved in planning for disciplinary action or suspension from school or bus through the updating of the student's Section 504 accommodation plan.

A student with a Section 504 Plan who engages in a Class IV offense may be suspended from the bus for up to three (3) days, pending the outcome of a Section 504 Team's manifestation determination meeting. This decision involves the determination of whether or not the violation committed by the student is a manifestation of his/her disability. If the Section 504 Team determines that the offense was not aligned with the student's disability, the student shall be referred for appropriate disciplinary action. If the Section 504 Team determines that the offense was aligned to the student's disability, the student may not be subjected to a disciplinary change in transportation for more than ten (10) days. Additionally, a series of small removals exceeding ten (10) total days over the school year may establish a pattern of exclusions that are considered a violation of Section 504 regulations. In certain offenses involving illegal drugs, controlled substances, weapons and/or serious bodily injury and following a Conduct Review meeting and a referral to the Hearing Officer, the student may be placed in an interim alternative educational setting without regard to whether the behavior is determined to be a manifestation of his/her disability.

**BUS RIDING IS A PRIVILEGE, WHICH MAY BE REVOKED.**

Parents are urged to discuss with their children appropriate school bus conduct in order to ensure bus safety. All students who misbehave while riding the school bus will be disciplined according to the *Code of Student Conduct*.

A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions, such as out-of-school suspension. Students are required to attend school. Bus suspension does not affect or excuse school attendance.

**A student who has been suspended or expelled from the school bus that boards, rides, or attempts to ride a school bus, without being authorized to do so, is considered to be trespassing and is subject to arrest.**

A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions, such as out-of-school suspension. Students are required to attend school. Bus suspension does not affect or excuse school attendance.

A student who willfully damages school property, a school bus, or bus equipment shall be properly disciplined. Students are required to attend school. Bus suspension does not affect or excuse school attendance.

**PROCEDURES FOR ADMINISTRATION  
OF  
FORMAL DISCIPLINARY ACTION**

When a formal disciplinary action is required, the principal/designee will make every reasonable effort to contact the parent/guardian immediately. If telephone contact cannot be made, written notice will be sent home with the student, or placed in the U.S. Mail within twenty-four (24) hours.

It is the responsibility of the student to notify and/or deliver to his/her parent/guardian all written communications from the school. Failure to do so may result in further disciplinary action.

When disciplinary action reaches the level of denial of educational participation, the following procedural steps shall be adhered to in order to protect the rights of the student.

**Suspension**

The student shall be given notice of the charges against him/her and shall be given the opportunity to present his/her explanation of the situation before any action is taken.

When a suspension is necessary, the principal/designee will make every reasonable effort to contact the parent/guardian immediately. Written notice shall be sent to the parent/guardian via U. S. mail within twenty-four (24) hours, regarding the reason disciplinary action was taken. Generally, a notice and a conference should precede the student's suspension from school. However, if the immediate suspension of the student is justified because the student's presence endangers others, school property, or would seriously disrupt the orderly academic process, the mailed notice will follow as soon thereafter as is practical. The parent/guardian may request a conference with the principal/designee regarding the suspension.

An emergency suspension situation includes one in which a student with disabilities commits an offense which meets the criteria for suspension and the IEP does not include a Positive Behavior Management Plan. Students with disabilities whose IEP does not include a Positive Behavior Management Plan may be suspended for up to three (3) days in-school or out-of-school, provided an IEP Team meeting is scheduled within seven (7) to ten (10) days to include a Positive Behavior Management Plan.

Students with Section 504 Plans may be suspended for up to three (3) days at one time. In order to be suspended, students with Section 504 Plans must have a Behavior Management Plan that includes suspension as a disciplinary alternative. In an emergency situation, a student whose Behavior Management Plan does not include suspension may be suspended for up to three (3) days, provided a Section 504 Team meeting is scheduled within that period of time.

**Class IV Offenses**

The principal is initially responsible for determining that an offense has been committed. In investigating such incidents, the student will be given, in writing, the pending charges and an opportunity to admit or refute those charges. It should be noted that any statement the student makes might be used, with other documentation, to prove whether the student is guilty of the offense (s) charged.

The principal will review the above documentation with the parent/guardian. If, at the disciplinary conference, the principal concludes that extenuating circumstances exist, the student is eligible for admission back into school following the determination of appropriate disciplinary action to be taken.

In the absence of extenuating circumstances, the principal may, at his/her discretion, recommend an alternative school or other programs provided by the school district. Should the parent/guardian be offered this opportunity and declines it, the principal shall recommend expulsion and immediately send all of the documentation of the incident to the School Board Hearing Officer.

At this time, the School Board Hearing Officer, acting as the Superintendent's designee, shall review the facts pertaining to the offense and shall request a conference with the parent/guardian and the suspended student within the suspension period.

**Bus Revocation** - **Bus riding is a privilege, which may be revoked.** If a student repeatedly displays inappropriate behavior on a bus, the student may be referred to the appropriate Chief Officer (Elementary, Middle or High School) for possible revocation of bus privileges. Commission of a Class IV Offense on a school bus will result in revocation of bus privileges.

**Expulsion** – Removal of the right and obligation of a student to attend a public school under conditions set by the School Board for a period of time not to exceed the remainder of the school year and one (1) additional year of attendance.

The School Board may expel a student from school based on grounds specified in the *Code of Student Conduct*. Expulsion means the removal of the right and obligation of a student to attend a public school under conditions set by the district school board, and for a period of time not to exceed the remainder of the term or school year and an additional year of attendance. Expulsions may be imposed with or without continuing educational services and shall be reported accordingly. The School Board has the sole authority to expel students pursuant to Florida Statute 1006.07.

## **ALTERNATIVE EDUCATION PLACEMENT PROCEDURES**

**All alternative education center packets must be forwarded to the Hearing Office for review by the second (2) day of the suspension. No student should remain suspended for more than five (5) days without a due process hearing or administrative placement at an alternative school. Refer to procedures regarding students with disabilities and Section 504 students involved with multiple Class II, Class III, and/or Class IV offenses.**

**Placement Of Students At Alternative Schools** - Florida Statute, Section 1003.53 (5) states that “the school principal or his or her designee shall, **prior** to placement in a dropout prevention and academic intervention program or the provision of an academic service, provide written notice of placement or services by certified mail, return receipt requested, to the student's parent. The parent of the student shall sign an acknowledgment of the notice of placement or service and return the signed acknowledgment to the principal within three (3) days after receipt of the notice. The parents of a student assigned to such a dropout prevention and academic intervention program shall be notified in writing and entitled to an administrative review of any action by school personnel relating to such placement pursuant to the provisions of Florida Statute 120.

1. **Within twenty-four (24) hours of suspending a student for the purpose of transferring to an alternative education center, the Principal shall send the parent/guardian a certified letter, return receipt requested, informing the parent/guardian of the placement.** This notice shall include the suggested date for a parent/guardian conference, as well as the automatic date of placement in the event the parent/guardian fails to respond to the notice. The Notice of Pupil Placement at an Alternative School must be sent via certified mail, return receipt requested, whether the parent is contacted by phone or not (or receives a copy of the charges and Parent Checklist in a face-to-face conference).
2. The Parent Checklist contained in the **Alternative Education Centers' Admissions Packet must be given to parent/guardian during the parent conference.** The checklist serves as written documentation that the parents were informed of the charges against their child, provided an opportunity to refute or show mitigation to the charges, and discusses alternative disciplines. The checklist also serves as documentation of parent's decisions regarding the student's placement at an Alternative School and informs them of the Appeal Process.

**The discipline/administrative transfer of a student to the alternative center should take place on or before the fifth (5<sup>th</sup>) day of suspension. However, if the parent indicates on the parent conference checklist that they would like a review of the principal's decision, the school shall immediately forward the student's Alternative School admission packet to the appropriate Chief Officer (Elementary, Middle or High School) office for Class III offenses or to the Hearing Officer for 2.19 and Class IV offenses. *The review/appeal process does not postpone the pending disciplinary action unless a written agreement can be established between the parent/guardian and the principal that the child should remain suspended until resolution of the appeal.* **Parents who fail to enroll their child in an alternative school setting may violate compulsory school attendance requirements and are subject to criminal prosecution under Florida Statutes, Section 1003.27 (2). No student should remain suspended for more than five (5) days without a due process hearing or administrative placement at an alternative school.****

3. If a satisfactory resolution between the parent and school administrator cannot be obtained, the parent/guardian may request a review by the Chief Officer (Elementary, Middle or High School). This is a review of documentation only and does not involve a formal hearing. The Chief Officer (Elementary, Middle or High School) review will result in a written response within two (2) working days.
4. Following the review of the principal's decision by the Chief Officer (Elementary, Middle or High School) or his/her designee, upon request, a parent may have an administrative review. The Hearing Officer will have this responsibility. The Hearing Officer will issue a final order upon the completion of the administrative review.

### **Appeals Procedures**

**Procedures for Appealing Disciplinary Actions** - Parents/guardians wishing to appeal a disciplinary action for a Class I, II, or III offense may appeal to the principal/designee within three (3) days. If a satisfactory resolution cannot be obtained, the parent/guardian may appeal to the appropriate Chief Officer (Elementary, Middle or High School). This appeal is a review of documentation and does not involve a formal hearing.

**Procedures for Appealing Placement at an Alternative Education Center** - Parents and guardians wishing to appeal the recommendation of placement of their child at an alternative education center are entitled to an administrative review of any action by school personnel relating to such placement pursuant to the provisions of Florida Statute Chapter 120.

1. The discipline/administrative transfer of a student to the alternative center should take place on or before the fifth (5<sup>th</sup>) day of suspension. However, if the parent indicates on the parent conference checklist that they would like a review of the principal's decision, the school shall immediately forward the student's Alternative School admission packet to the appropriate Chief Officer (Elementary, Middle or High School) office for Class III offenses or to the Hearing Office for 2.19 and Class IV offenses.

*The review/appeal process does not postpone the pending disciplinary action unless a written agreement can be established between the parent/guardian and the principal that the child should remain suspended until resolution of the appeal. No student should remain suspended for more than five (5) days without a due process hearing or administrative placement.*

2. If a satisfactory resolution between the parent and school administrator cannot be obtained, the parent/guardian may request a review by the Chief Officer (Elementary, Middle or High School). This is a review of documentation only and does not involve a formal hearing. The Chief Officer (Elementary, Middle or High School) review will result in a written response within two (2) working days.
3. Following the review of the principal's decision by the Chief Officer (Elementary, Middle or High School) or his/her designee, upon request, a parent may have an administrative review. The Hearing Officer will have this responsibility. The Hearing Officer will issue a final order upon the completion of the administrative review.

### ***FELONIES COMMITTED BY STUDENTS***

Following appropriate due process procedures, a student charged with a felony or delinquent act that would be a felony if committed by an adult, whether it occurred on or off the school property, may be assigned to an alternative program or

- ❖ The nature of the offense is such that the student poses a threat to safety of other students or personnel at school,

**The recommendation of the principal to exercise this policy must be approved by their Chief Officer.**

**DUVAL COUNTY PUBLIC SCHOOLS  
ATTENDANCE POLICY**

**DISTRICT STUDENT ATTENDANCE PROVISIONS**

**5.42\***

I. General Provisions

- A. School attendance shall be the direct responsibility of parents and students. All students are expected to attend school regularly, receive total instructional time, and to be on time for classes to benefit from the instructional program and to develop habits of punctuality, self-discipline, and responsibility.
- B. Open communication between parents and schools is an integral component of the educational process. Schools and parents shall work together to encourage students to attend school regularly. Regular attendance in each forty-five (45) day grading period is necessary for a student to be successful in school. Missed work shall be made up for all absences, including suspension. Make-up work shall be allowed for each day of absence, when appropriate or as determined by the principal. Each student shall receive full credit for such work.
- C. Schools shall track excused and unexcused absences and contact the home in case of unexcused absences or absences for which the reason is unknown.
- D. If a student has at least five unexcused absences, or absences for which the reasons are unknown, within a calendar month or 10 unexcused absences, or absences for which the reasons are unknown, within a 90-calendar day period, the student's primary teacher shall report the student's attendance to the principal. The principal shall, unless there is clear evidence that the absences are not a pattern of non-attendance, refer the case to the school level Attendance Intervention Team (AIT). The AIT will schedule a meeting with the parents or legal guardian and a representative of the district attendance office. If appropriate, a contract will be developed and signed by the participating parties. If the contract is violated, the case may be referred to the State Attorney's office.

II. Definition

For the purpose of meeting the state requirement of recording attendance in an attendance register, students shall be counted in attendance if they are actually present at school for any part of the instructional day or are away from school on a school day and are engaged in an educational activity which constitutes a part of the school-approved instructional program for students. However, accumulation of tardiness and early check-outs will result in mandatory interventions are outlined below.

III. Student Absences and Excuses

- A. Students returning from an absence shall be required to present a written explanatory excuse from their parent(s) or legal guardian, stating the cause for the absence. The following causes are acceptable excuses for being absent:
  - (a) Illness or injury of the student;
  - (b) Serious illness or death in the student's family;
  - (c) Inclement weather;
  - (d) Official religious holiday of a religious sect or for religious instruction (see below);
  - (e) Insurmountable conditions as determined by the school principal or other designated district or school personnel; and,
  - (f) A bus failure or irregular schedule which causes the absence or tardiness of a student who is eligible for and regularly transported by the District.
- B. Students participating in educational activities which constitute a part of the school-approved instructional program shall be deemed in attendance.

- C. A student shall be excused from attendance on a particular day or days, or for part of a day, and shall be excused from any examination, study, or work assignment for observation of a religious holiday or because the tenets of his or her religion forbid secular activity at such time. Teachers shall give each student the opportunity to make up any examination, study, or work assignment which has been missed for religious purposes and the student shall receive full credit for such work.

### III. Elementary Grades (K-5)

- A. Parents shall be notified in writing on or before the fifth absence, within each forty-five (45) day grading period, of the student from any school day to request their cooperation in preventing further absences. Principals may authorize a waiver of notification if school personnel have determined the student has contracted an illness, such as a communicable childhood disease, resulting in an extensive number of absences.
- B. Students who are absent shall receive a grade of zero (0) for work missed for the day(s) in which the absence(s) occur. Students shall be responsible for making up missed work for each absence. Students shall receive appropriate grades for the make-up work to replace the zero (0). The school principal shall determine the appropriate length of time for completion of assignments.

Incentives may include certificates, awards, special events, or participation grades for exemplary attendance. Each elementary school shall submit its incentive plan for approval to the appropriate Chief Officer, K-5.

For learning activities to be fully effective, it is reasonable to require that each student arrive to class on time and remain for the entire school day. A student who is tardy to class or who is checked out not only places his or her learning in jeopardy but also interrupts the learning of other students.

    - a. A mandatory parent conference with the guidance counselor.
    - b. A mandatory conference with the principal.
    - c. In accordance with the *Code of Student Conduct*, other appropriable penalties such as detention beyond the regular school schedule or appropriate counseling programs for students and parents may be administered at the school principal's or designee's discretion.
  - 6. Students will not be recognized by the school for perfect attendance when they have three or more unexcused tardies or three or more unexcused early check outs.

7. Six unexcused tardies or six early check outs in any forty-five day grading period will result in the student and their parents being referred for the following interventions:
  - a. Referral to the Attendance Intervention Team
  - b. At the principal's discretion, assignment to Saturday School as detailed in the *Code of Student Conduct*.
8. If it is determined that the parent is the cause of the chronic tardiness or early check out without an acceptable excuse, then a referral shall be made to the State Attorney's Office. For the purposes of this policy, tardiness and early check out without an acceptable excuse are seen as violation of 1003.21, F.S. (compulsory attendance).
9. A parent or guardian may appeal an unexcused tardy or unexcused early check out if the parent or guardian has documented proof of a student's chronic illness as a reason for the tardiness or early check out.

V. Middle School Grades (6-8) and High School Grades (9-12)

- A. During each grading period, the principal or designee shall notify parents by phone or in writing on or before the third absence of the student from any class period or school day. Within each grading period parents shall be notified in writing upon the fifth absence of the student from any class period or school day to request their cooperation in preventing further absences.
- B. Students who are absent shall receive a grade of zero (0) for work missed for the day(s) or class periods(s) in which the absence(s) occur. Students shall be responsible for making up missed work for each absence. Students shall receive 100% credit for the make-up work for all absences completed within the allotted time. The school principal shall determine the appropriate length of time for completion of assignments.
- C. Students with unexcused absences shall be held accountable through provisions of the *Code of Student Conduct*. Other appropriate penalties, such as detention beyond the regular school schedule or appropriate counseling programs for students and parents, may be administered at the school principal's or designee's discretion.
- D. Any student who misses more than eight (8) days of a course or four (4) days on a block schedule during one grading period must meet both criteria below to be eligible for a passing grade (A-D) in that course:
  1. The student passes the required comprehensive quarter exam or the required comprehensive project in the course. A comprehensive exam or comprehensive project will be given to all students in courses for each grading period; and
  2. The student has an overall passing grade in the course for the grading period.

VI. Attendance at an Alternative Center

- A. Students who are enrolled in an alternative center at the end of the school year shall return to the center for the following school year unless otherwise determined by the School Board Hearing Officer.
- B. Students who are assigned to an alternative center may attend summer school provided they meet criteria for attendance.
  1. Designated personnel in the centers shall notify the principal of the school where the student is regularly assigned of the student's current enrollment and attendance in the center's summer school program.
  2. In no case may a student attend summer school at his/her regularly assigned school.

## **ELEMENTARY TARDINESS AND EARLY CHECK OUT**

The parent of a child of compulsory age is responsible for the child's daily attendance. Nonattendance for instructional activities is established by an accumulation of tardiness, early check outs and absences for all or any part of the school day.

For learning activities to be fully effective, it is reasonable to require that each student arrive to class on time and remain for the entire scheduled school day. A student who is tardy to class or who is checked out early not only places his or her learning in jeopardy but also interrupts the learning of other students.

1. Tardiness is defined as the physical absence of a student in the classroom at the beginning of a regularly scheduled session at which he or she is scheduled to be present when the school tardy bells ring.
2. Early check out is defined as a parent or guardian signing out a child before the end of the school day.
3. A parent shall notify the school as to the reason for the tardiness or early check out. Justifiable reasons shall be determined by the principal.
4. Schools shall establish procedures for early check outs that ensure students are treated consistently. A student should not be released within the final forty-five (45) minutes of the school day unless the principal/designee determines it is an emergency or an excused event.
5. The School will provide written notice to parents after three (3) tardies or three (3) early check outs within thirty (30) days. Additional tardies or early check outs will result in the following interventions:
  - a. A mandatory parent conference with the guidance counselor;
  - b. A mandatory conference with the principal.
6. Students will not be recognized by the school for perfect attendance when they have three (3) or more unexcused tardies or three or more unexcused early check outs.
7. Six (6) unexcused tardies or six (6) early check outs in any forty-five (45) day grading period will result in the student and their parents being referred for the following interventions:
  - a. Referral to the Attendance Intervention Team
  - b. At the principal's discretion, assignment to Saturday School as detailed in the Student Code of Conduct.
8. If it is determined that the parent is the cause of the chronic tardiness or early check out without an acceptable excuse, then a referral shall be made to the State Attorney's Office. For the purposes of this policy, tardiness and early check out without an acceptable excuse are seen as a violation of 1003.21 F.S. (compulsory attendance).
9. A parent or guardian may appeal an unexcused tardy or unexcused early check out if the parent or guardian has documented proof of a student's chronic illness as a reason for the tardiness or early check out.
10. This policy will become effective January 8, 2007.
11. This policy will be reviewed every June.

## Immunization and Health Requirements for School Attendance

Florida law requires students enrolling into Florida Schools to show proof of required immunizations or proper exemptions. Those who fail to meet these requirements will be excluded from school until proper documentation is provided.

### Who needs proof of immunizations?

All students entering, attending, or transferring into Florida schools must have a Florida Certificate of Immunization (DH Form 680 part A) or an exemption on file at the school.

### Can a student enroll without the proper immunizations?

Students not presenting the required certification of immunization or exemption will be refused admittance to school and referred to their physician or the Duval County Health Department for the proper documents.

### Besides a physician's office, where can my child receive the required immunizations?

There are several clinics around Jacksonville that offer immunizations at no cost. Call the Duval County Health Department at 253-1000 for information.

### Immunization requirements for pre-school, (students entering, attending, or transferring):

**What is Meningococcal Disease?**

(Excerpts taken from Meningococcal Disease. In-short. <http://www.cdc.gov/vaccines/vpd-vac/mening/in-short-both.htm> 9/11/07)

Meningococcal disease is a severe bacterial infection that can cause meningitis, bloodstream infection and other localized infections. Although the disease is not common in the United States, in those who get it, symptoms develop and progress rapidly even leading to death in 24-48 hours. Symptoms may be characterized by fever, headache, stiff neck, nausea, sore throat, mental status changes, bloodstream infection and rash.

Meningococcal disease is usually spread through direct contact with nasal or mouth discharge.

There are two meningococcal vaccines available in the United States. Both vaccines can prevent certain types of meningococcal disease. For more information on who should or should not get the vaccine, please consult your physician or health care provider. Also, please visit the following website for additional information:

## ***GUIDELINES FOR SAFE AND ACCEPTABLE USE OF COMPUTERS AND THE INTERNET***

In preparing our students for the 21st Century each Duval County Public School student will be assigned a computer network login that will provide the student with access to the internet. The proper use of the Internet provides opportunities for research, learning, and web based educational programs. The use of the DCPS network or computers is a privilege that may be restricted or removed by school based administration, automated content control systems, or the Office of Information Security. Students must abide by guidelines described in this document, the *Code of Student Conduct*, and Districts Acceptable Use Policy.

The school's mission, goals, objectives and standards will guide the instructional use of technology resources, including computers, software and the Internet. The DCPS' goal in providing Internet connectivity is to establish direct access to appropriate materials that support curricular goals and objectives. School faculty will integrate thoughtful use of computer technology throughout the curriculum and provide guidance and instruction to students in its use. Teacher supervision of independent student computer and Internet activities is the key element in effective and safe use of these resources by students. Teachers may present web sites to students during instructional times.

DCPS acknowledges the fact that inappropriate materials exist on the Internet and will do everything it can to actively avoid them, including the use of filtering software. **The DCPS has implemented technology protection measures that filter Internet access to block visual displays that are obscene, pornographic, or harmful to minors, but this technology is not 100% effective.** Student internet access is monitored but not every instance of inappropriate use can be reported to the school or parent/guardian. No software can filter out all of the materials that are unacceptable in an educational setting and it should be clearly understood by all students and their parents/guardians that intentional access to such material, in any form, is strictly forbidden.

DCPS makes no guarantee that the functions or the services provided by or through the District's network will be error-free or without defect. The District will not be responsible for any damage suffered, including but not limited to, loss of data or interruptions of service. Students are responsible for making a back up copy of crucial files. The District is not responsible for the accuracy or quality of the information obtained through or stored on the network. The District will not be responsible for financial obligations arising through the unauthorized use of the network as the result of intentional misuse.

Students that demonstrate the inability to properly use technology resources may have those resources restricted or removed. This may have a detrimental effect on the student's ability to access online curriculum recourses including grade recovery and intervention program.

If a student feels there is a problem or feels uncomfortable with the information someone is transmitting to them, the student should tell his/her teacher or school site administrator. Students shall immediately notify a teacher or administrator if inappropriate information is mistakenly accessed or found anywhere on the DCPS network including student shares.

Students and other users access a computer with unique network accounts or ID and passwords. **ID and passwords must never be shared. Students are responsible for any activity that occurs under their account. Students have no expectation of privacy while utilizing the DCPS network, computers, or any device that is attached to it.**

### ***Plagiarism and Copyright Infringement***

- Students will not plagiarize works that they find on the internet. Plagiarism is adopting the ideas or writings of others and presenting them as if your own. Credit should always be given to the person who created the words or idea.
- Students must respect the rights of copyright owners. Copyright infringement occurs when the student inappropriately reproduces a work that is protected by a copyright. If students have questions about possible copyright infringement, they should ask a teacher or school's media specialist.
- Unless it is otherwise stated, assume that all materials on the Internet, including web sites and graphics, are copyrighted, and that existing **copyright guidelines**, such as those involving photocopying, electronic copying, multimedia, and fair use, apply. Students using computers and the internet should be aware of what is and is not allowed as it pertains to software, multimedia productions, and web publishing.

### ***Netiquette Rules***

Users must abide by network etiquette rules. These rules include, but are not limited to, the following:

- Be polite – rudeness is never acceptable.
- Understand that when you post something on the internet it is there forever and you no longer have control of who sees it or what they do with it.
- Do use the internet to help with schoolwork. The internet is a source of great volumes of information. It's like having the world's largest library at your fingertips!
- Do not provide any personal information (such as name, address/telephone number, social security number).
- Use appropriate language. Do not swear, use vulgarities or any other inappropriate language.
- Do not use the network in such a way that you would disrupt the use of the network by other users.
- All communications and information accessible via the network should be assumed to be private property.

When either parents/guardians or school employees deem it necessary to meet regarding concerns about the student's education or a disciplinary matter, the student, parent/guardian has a right to be represented by an attorney of his/her choice throughout the process.

### **Student Rights and Responsibilities**

It is the intent of the Duval County School Board, as expressed in the **Student Rights and Responsibilities** section of this document, which students understand that individual rights involve associated responsibilities, and the individual rights must be viewed in relationship to the health, safety, and welfare of the majority of students within each school. The principal has administrative and instructional leadership responsibility under the supervision of the Superintendent, in accordance with the rules and regulations of the School Board, for planning, management, and operation of the school to which he/she is assigned. The faculty and staff shall assist in the orderly operation of the school and assure the rights of students.

### **Student Rights and Responsibilities – Attendance**

#### **Philosophical Basis**

Regular attendance by students will facilitate the development of the skills and knowledge necessary to function in a democratic society. (See Duval County Public School Attendance Policy page 39).

**NOTE: FLORIDA LAW REQUIRES THE DENIAL/SUSPENSION OF DRIVING PRIVILEGES FOR STUDENTS WHO HAVE ACCUMULATED FIFTEEN (15) UNEXCUSED ABSENCES IN A PERIOD OF NINETY (90) CALENDAR DAYS OR WHO HAVE DROPPED OUT OF SCHOOL.**

### **Student Rights and Responsibilities – Counseling**

#### **Philosophical Basis**

Personal concerns of students can seriously limit their educational development. Schools have the responsibility to provide a counseling program and to make relevant and objective information available to students.

- ❖ To have access to individual and group counseling
- ❖ To request a change of counselor

#### **Student Responsibilities**

- ❖ To schedule appointments in advance, unless the problem or concern is one of an emergency
- ❖ To work cooperatively with all school personnel

### **Student Rights and Responsibilities – Curriculum**

#### **Philosophical Basis**

The degree of curriculum involvement is a function of age, grade, maturity, and sophistication on one hand, and the level and complexities of courses on the other.

Student opinion regarding curriculum offerings is extremely important and deserves careful analysis and consideration.

#### **Student Rights**

- ❖ To have equal educational opportunity with regard to academic programs and extracurricular activities
- ❖ To receive district curriculum course descriptions that will facilitate informed choices
- ❖ To receive instruction in courses of study under competent instructors in an atmosphere free from bias and prejudice

### **Student Rights and Responsibilities – Free Speech/Expression**

#### **Philosophical Basis**

- ❖ To respect the religious beliefs of others
- ❖ To plan for, seek approval of, and conduct activities which are consistent with the educational objectives of the school

### **Student Rights and Responsibilities – Grades**

#### **Student Rights**

- ❖ To receive a teacher's grading criteria at the beginning of each year or semester course
- ❖ To receive reasonable notification of failure or potential failure at any time during the grading period when it is apparent that unsatisfactory work is being performed

### **Student Rights and Responsibilities – Privacy and Property Rights**

#### **Philosophical Basis**

Federal and state laws provide persons with reasonable expectation of privacy, in addition to freedom from unreasonable search and seizure of property. Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety, and welfare of all students.

**Privacy on computers and the Internet is not guaranteed.** In accordance with the Electronic and Communications Privacy Act of 1986 (18 USS Section 2510), all students are hereby notified that there are no facilities provided by Duval County Public Schools (DCPS) that allow the sending or receiving of private or confidential electronic communications. All electronic communications will be determined to be readily accessible to the general public. The DCPS system reserves the right to monitor all traffic on the network and review all files stored on or transmitted through

its computer systems. This is done to preserve the integrity of the network and to ensure that the DCPS's computers continue to function properly for all users.

**No personal information, such as name, address and phone number should be shared via the Internet.** When using **any** computer network to communicate with others, students should think carefully about what they say and how they say it. When on the Internet, a student should keep the following in mind:

- ❖ He/she cannot see the other person
- ❖ He/she cannot tell how old the other person is or what sex they are
- ❖ A person can tell the student anything; therefore, a student cannot always be sure that what the person is telling him/her is true

If a student feels there is a problem, or feels uncomfortable with the information someone is transmitting to him/her, the student should tell his/her teacher, school site administrator or technology representative immediately.

### **Student Rights**

- ❖ To maintain privacy of personal possessions, unless appropriate school personnel have reasonable cause to believe a student possesses any object or material which is prohibited by law or School Board policy
- ❖ To attend school in an educational environment in which personal property, including electronic property, is respected

- ❖ To respect the property rights of the public-at-large, as well as those of individuals, and to refrain from destruction or modification of, or damage to, such property

### **Student Rights and Responsibilities – Student Records**

#### **Philosophical Basis**

A well-developed student record file contains information needed for making appropriate educational decisions for the student. Student records are to be treated confidentially and should only contain information that is relevant, accurate, and appropriate.

#### **Student Rights**

- ❖ To inspect, review, and challenge the information contained in records directly relating to the student
- ❖ To be protected by legal provisions which prohibit the release of personally identifiable information (without the consent of the parent/guardian or eligible student) to other than legally authorized persons. (Eligible students are those eighteen (18) years of age or over and/or those attending a post-secondary institution.)

#### **Student Responsibilities**

- ❖ To inform the school of any information that may be useful in making appropriate educational decisions
- ❖ To authorize release of pertinent information to those individuals or agencies who are working actively and constructively for the benefit of the student \*

**NOTE:** Release of record of students seventeen (17) years of age or younger who attend an elementary or secondary school requires the signature of the parent/guardian.

## **Student Rights and Responsibilities – Student Government**

### **Philosophical Basis**

Effective student governments are the forum for training and involvement of student in the democratic process. Members of the school community share the responsibility for shaping governments into positive instruments for student involvement.

### **Student Rights**

- ❖ To have access to policies of the School Board and the individual school
- ❖ To seek office in student government, or any school organization, regardless of race, sex, color, creed, or political beliefs

- ❖ To conduct election campaigns in a positive, mature manner, with all due respect provided to his/her opponents
- ❖ To attend regularly scheduled meetings, if an elected student representative, and to exhibit appropriate conduct at all times

## **Student Rights and Responsibilities – Student Publications**

### **Philosophical Basis**

Education is the process of inquiring and learning, as well as acquiring and imparting knowledge and exchanging ideas. One of the important roles of the school is to provide effective avenues through which students may express themselves on a wide range of subjects consistent with the basic educational goals of the school. As part of the educational curriculum, and under the supervision of school staff members, official student publications, such as the school newspaper, should offer the opportunity for students to share a variety of viewpoints as part of the learning process. School principals have final editorial control over the style and content of all student publications.

### **Student Rights**

- ❖ To participate in the development and distribution of publications as part of the educational process

### **Student Responsibilities**

- ❖ To refrain from publishing libelous and obscene materials, or materials inconsistent with the school's basic educational goals
- ❖ To seek full information on the topics about which they write
- ❖ To observe normally accepted rules for responsible journalism under guidance of the faculty advisor
