

Seniors 2010!

Can you believe it? This is your senior year! This should be a wonderful and exciting time. You will have lots of decisions to make from who you want to represent you as class officers to what you will do after June 2010. It will be very important for you to listen to and make note of all the announcements regarding ACT and SAT testing registration times and testing dates. In addition, remember to apply for BRIGHT FUTURES after Dec. 1.

Speaking of Bright Futures, be sure to stay on top of the academics. Get and keep those grades up. You *do not* want to be the one who is wondering if you made it or not on the day Cap and Gowns are handed out -- it happens. Pay off your debts since sixth grade and don't accrue any this year.

You will want to have your pictures and ads in your yearbook as well as in the slide presentation for the end of the year. So get them in! This is it! This is the year you have been waiting for. It should be memorable and the best ever. Make lots of good, fond memories. Participate in all the activities this year. Make new friends and keep the old. Life is so short so live, love and laugh with and at yourselves and each other while you can.

This year, all seniors will be required to contribute to the *Senior FairShare Fund*. This fund will be used exclusively to pay for all the necessities required to make your Graduation as memorable as possible. The fee will be a non-refundable \$25 payable to Baldwin Middle Senior High School, and is due to your senior sponsors by November 20 2009. What does the FairShare cover?

We have also developed a *Senior Comprehensive Package* that will take care of the cost of all senior related items we have planned for the year. We have put this package together so that it can be purchased early in the year. This way, you won't have to worry about funds later as the year progresses. At the cost of \$150, the *Senior Comprehensive Package* includes the following items: *FairShare Fund*, Class T-Shirt, Class Hoodie, Yearbook, Senior Breakfast(s), and Senior Week Outing.

To get started on your Senior year, begin by adding these important dates to your calendar:
