DEAR PARENTS
AND STUDENTS.

THIS BUDGET ENVELOPE

is designed to help you plan
your holiday shopping at the

Gift Shopper's Shoppe.

On the other side, list the

FAMILY members and special

FRIENDS you would like to

shop for; then decide what your

budget is for each gift. The

volunteers will help each child

shop within his or her budget.

GIFTS range from .25 cents to

\$10.00 but most gifts cost under \$.50.

Finally, add up the total for all

gifts, and enclose that amount in

CASH OR CHECK made out

to your school. If your child does

not spend the entire amount, the

change will be returned to you

in this envelope.

Thanks for giving your child the

GIFT OF GIVING.
