

h Brookview's Extended Day Program

“Genius is one percent inspiration and ninety-nine percent perspiration.”

– Thomas Alva Edison

Directors: Debbie Clingenpeel and Patrick Mercer

What We Do

The Brookview Elementary Extended Day provides working parents with a safe and convenient school location to leave their children before and after school. Our program is totally self-supported and paid for by working parents.

Our Extended Day program provides academic enhancement, tutoring, help with homework and other structured activities like cooking, art, and physical education that reflect the standards-based reading and mathematics efforts of the district.
