

Dear Parent/Guardian,

From time to time I will write a word or words in your child's agenda under the heading "**Spelling Words List**". These words are high frequency words or sight words your child has encountered in Readers Workshop. You can help your child learn to read these words by writing each word on a 3x5 index card and by then using these cards as flashcards at home. It is expected that Kindergarten students be able to read these words as they encounter them in books and use these words in their writing during Writers Workshop.

Some weeks there will be several new words while other weeks there will be none. Your consistent help at home is greatly appreciated. Thank you for your support as we work together to make this a great learning experience for your child.
