

Happy
Birthday!

Celebrate your child's birthday this month by joining the Library Birthday Book Club!

Recognize your child on his or her special day, and help support your school library at the same time! For a \$20.00 donation, your child will pick out a new library book, have a special nameplate put in the book honoring your child, be the first to check out the book, and appear on the morning news show! When your child returns the book, it will be added to our library collection. Simply fill out the form below, and return to the library with \$20.00 cash or money order (no checks).

Thank you so much for supporting your school library!
