

HOW TO TURTLE TALK

When we write in class, we use "Turtle Talk" to spell phonetically. Students are to:

1. Say the word S-L-O-W-L-Y.

2. Listen to the sounds they hear.

3. Think of the letters that make those sounds.

4. Write the letter.

examples: phone would be spelled "fon"
water ="wotr"
bird = "brd"

This is what they will use to help them spell words. In the next few weeks, all students will be expected to begin to write words to match their picture.
