DUVAL COUNTY PUBLIC SCHOOLS *CODE OF STUDENT CONDUCT*

INTRODUCTION AND PHILOSOPHICAL BASIS

Instruction should occur in an environment that is conducive to learning. Good order and discipline are essential to effective instruction and to the ability of students and school personnel to work cooperatively toward mutually recognized and accepted goals. The rules outlined in the Code are designed to ensure that this primary reason for the existence of school is achieved. Any behavior that prevents learning from taking place is unacceptable and will result in the appropriate consequence.

To assist students, parents, guardians, administrators, and school personnel in maintaining such an environment, the *Code of Student Conduct* will:

- ❖ Identify classifications of violations and describe procedures for disciplinary actions
- ❖ Identify formal disciplinary actions
- ❖ Standardize procedures for administering formal disciplinary actions
- ❖ Describe roles of the home, student, school and school personnel
- ❖ Describe rights and responsibilities of all students and parents/guardians
- ❖ Outline general code of appearance
- ❖ Describe rights of disabled students relating to discipline
- ❖ Inform parents/guardians and students of the district's Internet Safety and Acceptance Use Agreement

It is the responsibility of both student and parents/guardians to know the rules of the Code of Student Conduct and to support the fair and impartial administering of the rules. With age and maturity students will be expected to assume greater responsibility for their actions. Students are responsible for accepting the consequences for actions that may violate the Code of Student Conduct.

It is the responsibility of school personnel to be aware of the specifics of the Code of Student Conduct and to apply them appropriately. It is the responsibility of the school to convey information regarding individual school policies and procedures to students and parents/guardians via a school planner or through other appropriate means.

The School Board and personnel appointed at the district level are responsible for ensuring that the Code of Student Conduct and the consequences for the identified violations are legal and fair. The Board is also responsible for conveying to the community and parents/guardians, that once these conditions are met, the actions taken by the local school will be supported for the good of the school system and the community as a whole.

Should you have any questions regarding the Code of Student Conduct, please contact the assistant principal at the school level or call Multiple Pathways and Support Services at 390-2477.

PARENTS /GUARDIANS ARE REQUIRED TO READ, SIGN AND RETURN TO THEIR STUDENT(S)' SCHOOL(S) TWO (2) DOCUMENTS THAT APPEAR ON PAGES 53 through 54 AT THE END OF THE CODE OF STUDENT CONDUCT.

(Additional copies are provided for parents/guardians to keep for their records.)

CLASSIFICATIONS OF VIOLATIONS

Violations of the Code of Student Conduct are grouped into four classes:

❖ Minor	Class I
❖ Intermediate	Class II
❖ Major	Class III
❖ Zero Tolerance	Class IV

Each classification is followed by a disciplinary procedure that is to be implemented by the principal/designee.

It is understood that when a violation of the Code of Student Conduct occurs, the student's explanation shall be heard by the principal/designee before determining the classification of the violation. The principal or designee will review each case, including all documentation provided by staff and other witnesses, individually before assigning consequences. Florida Statutes 1003.31, 1003.32, 1006.07, and 1006.09 describe responsibilities of the school principal or other designated staff.

Classroom teachers will address general classroom disruptions by taking appropriate in-class disciplinary actions. These include, but are not limited to, personal calls to parents/guardians, parent/teacher conferences, referral to a guidance counselor, etc. If such measures do not desist the disruption, a disciplinary referral is appropriate. (Failure to bring notebook, pencil, books, required materials and equipment to class, or failure to work in class, are not cause for disciplinary referrals.)

SPECIAL NOTES

NOTE I: REPEATED VIOLATIONS: Repeated violations of the Code of Student Conduct in school and/or on the school bus will be considered willful disobedience and/or open defiance of authority resulting in possible suspension or expulsion from school and/or the school bus for the remainder of the school year or a specific period of time.

NOTE II: HAZING: There shall be no type of hazing during any district sponsored event, club, organization, or class within the school or off campus. Hazing shall be defined as any action or situation for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of the school which recklessly or intentionally endangers a student's mental or physical health or safety. Acts of hazing shall be addressed and will result in the appropriate consequence being administered in accordance with the Code of Student Conduct.

NOTE III: SEARCH AND SEIZURE: Federal and state laws grant individuals reasonable expectations of privacy and freedom from unreasonable search and seizure of property. Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety and welfare of all students. Students may be subject to search of person or property if a reasonable suspicion exists that the student may have violated the Code of Student Conduct or state or federal law. Be advised that, upon reasonable suspicion, student lockers and other storage areas (including, but not limited to, motor vehicles, book bags, pocketbooks, notebooks, pockets, etc.) may be searched. Additionally, school personnel are permitted to conduct administrative searches for weapons and other contraband absent reasonable suspicion. Administrative searches shall be carried out with a neutral plan for execution and in the least intrusive manner. Schools are permitted to use metal detectors to assist in this effort.

NOTE IV: PROHIBITED ITEMS: Be advised that students will be held responsible for prohibited items in their personal control, such as items located in vehicles, book bags, clothing or items belonging to someone else.

NOTE V: TECHNOLOGY-BASED INFRACTIONS: Technology-based infractions may result in a suspension or limited access of network and/or Internet access. Alternative instructional materials may be provided.

NOTE VI: BUS RIDING PRIVILEGES: Bus riding is a privilege, which may be revoked. Misconduct by any student while riding a school bus represents a serious threat to the safety of all occupants of the bus as well as other motorists,

pedestrians, and members of the community. Parents/guardians are urged to discuss with their children appropriate school bus conduct in order to ensure bus safety. All students who misbehave while riding the school bus will be disciplined according to the Code of Student Conduct.

A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions, such as out-of-school suspension. Students are required to attend school. Bus suspension does not affect or excuse school attendance.

Suspension or revocation of school bus privileges applies to all vehicles in the Duval County Public School Transportation System. This does not apply to transportation authorized by School Administration for field trips. Students with disabilities (Exceptional Education Students other than Gifted) and students with Section 504 Plans may be suspended from the bus for up to three (3) days at one time.

NOTE VII: COUNSELING AND/OR TREATMENT: A student may be required to obtain counseling and/or attend a recognized treatment program at parental expense and show proof of completion of such counseling or program. Such offenses may include, but are not limited to, abuse of technology, substance abuse, stalking, threats, intimidation, bullying, harassment, teen dating violence or abuse or acts motivated by hate or bias.

NOTE VIII: FORFEITURE OF SENIOR PRIVILEGES: A senior student who commits a Class III or IV violation, described in the Code of Student Conduct, shall forfeit the right to participate in graduation exercises and other senior-related activities until the student has successfully completed all assigned consequences and disciplinary actions. School Board Policies and Procedures regarding assignment to alternative centers shall apply to students who commit a Class III or Class IV violation.

NOTE IX: COMPENSATION FOR ACTS OF VANDALISM: A student who willfully damages school property, a school bus, or bus equipment shall be properly disciplined. The parent(s) or legal guardian of a minor student (or the student, if he/she is an adult) shall reimburse the owner of the bus for restitution or for replacement of any damaged school property in accordance with the true value as determined by the appropriate administrative staff. Students who damage school property, a school bus or bus equipment shall be subject to disciplinary action according to the Code of Student Conduct.

NOTE X: EXPULSION: The School Board has the sole authority to expel students pursuant to Florida Statute 1006.07. The School Board may expel a student from school based on grounds specified in the Code of Student Conduct. "Expulsion" means the removal of the right and obligation of a student to attend a public school under conditions set by the district school board, and for a period of time not to exceed the remainder of the term or school year and one (1) additional year of attendance. Expulsions may be imposed with or without continuing educational services and shall be reported accordingly.

The Duval County School Board will conduct an expulsion hearing for a student found to have committed a Zero Tolerance Offense, even if the student withdraws from Duval County Public Schools after committing the offense.

NOTE XI: TESTING RESTRICTIONS: During FCAT and other testing which is determined by the principal or his/her designee, students may not have any electronic or recording devices, including, but not limited to smart phones, cell phones, personal computers, electronic games or similar devices, in their pockets, at their desk or anywhere they can reach them, before, during, or after the testing session. Possession of any electronic device that reproduces, transmits, records, or calculates (except for the FCAT calculator), will result in the student's test being invalidated.

NOTE XII: BUS SAFETY: Pursuant to Florida law, each passenger on a school bus that is equipped with safety belts or restraint system shall wear a properly adjusted and fastened safety belt at all times while the bus is in operation.

NOTE XIII: STUDENTS WITH DISABILITIES (IEP/SECTION 504 PLANS): Disciplinary action(s), as outlined in the *Code of Student Conduct* must comply with the Individuals with Disabilities Education Improvement Act (IDEIA) and Section 504 of the Rehabilitation Act of 1973, as well as state and local regulations.

NOTE XIV: ANTI-BULLYING POLICY: Pursuant to Florida Statute 1006.147, it is the policy of the Duval County School Board (DCSB) that all of its students and school employees have an educational setting that is safe, secure, and free from harassment and bullying of any kind. Accordingly, DCSB will not tolerate bullying or harassment against any student, employee, visitor, volunteer or agent who works on school-related activities, subject to the control of school officials. This policy shall be interpreted and applied consistently with all applicable state and federal laws and

employee collective bargaining agreements. Conduct that constitutes bullying and harassment, as defined herein, is prohibited.

- A. DCSB prohibits bullying or harassment of any student or school employee, volunteer or agent:
1. During any education program or activity conducted by DCSB,
 2. During any school-related or school-sponsored program or activity or on a school bus;
 3. Through the use of data or computer software that is accessed through a computer, computer system, or computer network of DCSB. The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary action.

For more information, see DCSB 10.20 Anti-Bullying Policy. Bullying or harassment reporting forms may be found on the district's website at www.duvalschools.org.

Note XV: Principals at their discretion can allow or disallow different types of personal portable electronic devices to be used while at school. The use of such devices is done so voluntarily and is a privilege that can be revoked at any time. At no time may a student access unfiltered Internet through a cellular network or unauthorized Wi-Fi hotspot on their personal devices. **Bringing a personal portable electronic device to school puts that device at great risk of being lost, stolen or damaged; at no time will the District be liable for such loss or damage.**

Note XVI: In preparing our students for online testing and complying with State of Florida mandates, each Duval County Public School student will be assigned a computer network login that will provide the student with access to internal and external network resources including the Internet. The proper use of the Internet provides opportunities for research, learning, and web-based educational programs. **Some enrichment, online testing, and curriculum resources programs are only accessible through the Internet including some specific intervention and grade recovery programs.** A parent or guardian may make a written request by filing out the **Parental Internet "Education Only" Form** available at their school to limit a student's access to "Educational Only" Internet resources. Such a request will severely limit the student's ability to perform online research, access enrichment, curriculum resources, and may limit the classes the student can participate in.

4.20 (VAN) Vandalism – The intentional destruction, damage, or defacement of public or private property over \$1000.00 without consent of the owner or the person having custody or control of it. (Documentation of assessment of damages required)

****These offenses are defined under Florida Statute 1006.13 and carry the recommendation of expulsion for a period not to exceed the remainder of the school year and one additional year of attendance.**

Disciplinary Action **Zero Tolerance Offenses – Class IV**

Commission of a Class IV offense will necessitate a disciplinary conference with the principal/designee and a parent/guardian. The student will be suspended for ten (10) days, and will be referred to the School Board Hearing Officer (See section on Procedures for Administration of Formal Disciplinary Action, pages 30 – 32). Should the School Board Hearing Officer recommend expulsion, that recommendation will be forwarded to the School Board for final disposition pursuant to state law.

NOTE: A student who has been suspended or expelled from school and returns to any School Board property without being authorized to do so is considered to be trespassing and is subject to arrest.

If a student is voluntarily withdrawn in lieu of attending an alternative school/program, he/she must remain out of the Duval County Public Schools for remainder of the current school year and one additional year. If the student chooses to return to the Duval County Public Schools before the time has expired, he/she must complete the alternative school assignment before entering another public school in Duval County.

Missed work shall be made up for all absences, which includes suspension. It is the student's and/or parent's responsibility to request assignments during the suspension period. A day of make-up work shall be allowed for each day of absence, when appropriate, pursuant to the Student Progression Plan, Appendix C and D. Each student shall receive full credit for such work.

Students sixteen (16) years of age and older who commit a Class IV offense and have attended Grand Park Center may be recommended for expulsion.

Criminal Offenses

Students who commit criminal offenses will be referred to the appropriate law enforcement agency in addition to action taken by the school.

NOTE: Court action does not dictate or govern school disciplinary action.

Disciplinary Action **Zero Tolerance Bus Code Offenses – Class IV**

Commission of a Class IV Offense on a school bus will result in revocation of bus privileges for one (1) calendar year.

A student who has been suspended or expelled from the school bus that boards, rides, or attempts to ride a school bus, without being authorized to do so, is considered to be trespassing and is subject to arrest.

Disciplinary Actions **For Students with Disabilities (IEP/Section 504 Plan)**

Disciplinary Actions:

Bus Suspension

A student with disabilities (IEP/Section 504 Plan) may be suspended from the bus for up to three (3) days total, for all offenses occurring within one school day.

A student whose IEP does not include a Positive Behavior Management Plan/Behavior Support Plan may be suspended for up to three (3) days from the bus, provided an IEP meeting is scheduled within seven (7) to ten (10) days to include a Positive Behavior Management Plan/Behavior Support Plan.

A student whose Section 504 Plan does not include a Behavior Management Plan may be suspended for up to three (3) days from the bus, provided a Section 504 meeting is scheduled within seven (7) to ten (10) days to include a Behavior Management Plan.

NOTE: A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions such as out-of-school suspensions.

If transportation is identified in the IEP as a related service the days of bus suspension(s) are considered as days of out-of-school suspension IF, as a result, the student is unable to attend school and therefore is denied access to a Free Appropriate Public Education (FAPE).

Transportation services are not a provision of Section 504 of the Rehabilitation Act of 1973. Suspension from the bus for a student with a Section 504 Plan does not count as a day of out-of-school suspension.

Bus suspension does not excuse a student from attending school.

In-School Suspension - Use of in-school suspension for a student with disabilities (IEP/Section 504 Plan) should be limited to no more than three (3) days total, for all offenses occurring within one school day.

Out-of-School Suspension - A student with disabilities (IEP/Section 504 Plan) may be suspended from school for up to three (3) days total, for all offenses occurring within one school day.

- A student whose IEP does NOT include a Positive Behavior Management Plan/Behavior Support Plan may be suspended for up to three (3) days, provided an IEP meeting is scheduled within seven (7) to ten (10) days to include a Positive Behavior Management Plan/Behavior Support Plan.
- A student whose Section 504 Plan does NOT include a Behavior Management Plan may be suspended for up to three (3) days, provided a Section 504 meeting is scheduled within seven (7) to ten (10) days to include a Behavior Management Plan.

Class III and IV Offenses:

A student with disabilities (IEP/Section 504 Plan) who engages in a Class III or IV offense may be suspended from school or bus for up to three (3) days total, for all offenses occurring within one school day, pending a district Conduct Review Committee/Section 504 Team meeting.

The purpose of the Conduct Review Committee/Section 504 Team meeting is to determine whether the offense(s) committed is a manifestation of the student's specific disability:

- If the offense(s) **is** a manifestation of the student's disability, the student shall be referred back to the school for appropriate behavioral planning
- If the offense(s) **is not** a manifestation of the student's disability, the student may be disciplined in the same manner as a student without a disability.
- In certain offenses involving illegal drugs, controlled substances, weapons and/or serious bodily injury, following a district Conduct Review Committee/Section 504 Team meeting and a referral to the Hearing Officer, the student may be placed in an interim alternative educational setting without regard to whether the behavior is determined to be a manifestation of his/her disability.

Expulsion: - When a student with disabilities (IEP/Section 504) engages in conduct that warrants expulsion action, procedures must be followed which will assure the student is afforded all of the procedural safeguards provided in the Individuals with Disabilities Education Improvement Act of 2004 (IDEIA'04) or Section 504 of the Rehabilitation Act of 1973, respectively.

SCHOOL BUS CODE

Vandalism or criminal mischief shall include, but not be limited to, cutting, scratching, writing on, puncturing, ripping, breaking, or otherwise marring, defacing, or damaging any part of the bus. It is the student's responsibility to report any existing damages and to refrain from making the damage worse. - ❖ Parent/guardian conferences
- ❖ Bus suspension or revocation

If a student repeatedly displays inappropriate behavior on a bus, the student will be referred to the appropriate Chief Officer (Elementary, Middle or High School) for possible revocation of bus privileges. A student with disabilities (IEP/Section 504 Plan) must first be referred to the appropriate team for a manifestation determination and recommendation

A student who has been suspended or expelled from the school bus that boards, rides, or attempts to ride a school bus, without being authorized to do so, is considered to be trespassing and is subject to arrest.

A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions, such as out-of-school suspension. Students are required to attend school. Bus suspension does not affect or excuse school attendance.

A student who willfully damages school property, a school bus, or bus equipment shall be properly disciplined. additional year of attendance. Expulsions may be imposed with or without continuing educational services and shall be reported accordingly. The School Board has the sole authority to expel students pursuant to Florida Statute 1006.07.

A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions, such as out-of-school suspension. Students are required to attend school. Bus suspension does not affect or excuse school attendance.

NOTE: A student who has been suspended or expelled from the school bus that boards, rides, or attempts to ride a school bus, without being authorized to do so, is considered to be trespassing and is subject to arrest.

- ❖ **(Disciplinary) Work Assignments** – Supervised activities related to the upkeep and maintenance of school facilities.
- ❖ **Teen Court** - Teen Court is based on the philosophy that a youthful law violator is less likely to continue to offend when a peer jury decides the punishment. Teen Court attempts to interrupt developing patterns of criminal behavior by promoting feelings of self esteem and healthy attitudes toward authority. The program places a high priority on educating teens about citizenship and accepting responsibility for their actions. In some cases juvenile participants are given stern consequences

for those actions. This program is recommended for certain Code of Student Conduct Offenses. **Parental consent is required for participation.**

❖ **Restorative Justice** - Restorative Justice is a philosophy and practice based on the idea of taking responsibility for actions that have hurt or harmed someone else and/or yourself. The goal of a Restorative Justice oriented discipline approach is to keep schools safe and orderly, while also helping students to learn from their mistakes and limit their time out of school due to behavior problems. Restorative Justice believes that wrong doing is best addressed through group processes that allow affected and responsible parties to identify harm, take responsibility and come up with a plan to fix the situation. Restorative Justice is currently being used in Southside Middle and Englewood High Schools. This program is recommended for certain Code of Student Conduct Offenses. **Parental consent is required for participation.**

**PROCEDURES FOR ADMINISTRATION
OF
FORMAL DISCIPLINARY ACTION**

When a formal disciplinary action is required, the principal/designee will make every reasonable effort to contact the parent/guardian immediately. If telephone contact cannot be made, written notice will be sent home with the student, or placed in the U.S. Mail within twenty-four (24) hours.

It is the responsibility of the student to notify and/or deliver to his/her parent/guardian all written communications from the school. Failure to do so may result in further disciplinary action.

When disciplinary action reaches the level of denial of educational participation, the following procedural steps shall be adhered to in order to protect the rights of the student.

Suspension

The student shall be given notice of the charges against him/her and shall be given the opportunity to present his/her explanation of the situation before any action is taken.

When a suspension is necessary, the principal/designee will make every reasonable effort to contact the parent/guardian immediately. Written notice shall be sent to the parent/guardian via **U. S. mail within twenty-four (24) hours**, regarding the reason disciplinary action was taken. Generally, a notice and a conference should precede the student's suspension from school. However, if the immediate suspension of the student is justified because the student's presence endangers others, school property, or would seriously disrupt the orderly academic process, the mailed notice will follow as soon thereafter as is practical. The parent/guardian may request a conference with the principal/designee regarding the suspension.

Class IV Offenses

The principal is initially responsible for determining that an offense has been committed. In investigating such incidents, the student will be given, in writing, the pending charges and an opportunity to admit or refute those charges. It should be noted that any statement the student makes might be used, with other documentation, to prove whether the student is guilty of the offense (s) charged.

The principal will review the above documentation with the parent/guardian. If, at the disciplinary conference, the principal concludes that extenuating circumstances exist, the student is eligible for admission back into school following the determination of appropriate disciplinary action to be taken.

In the absence of extenuating circumstances, the principal may, at his/her discretion, recommend an alternative school or other programs provided by the school district. Should the parent/guardian be offered this opportunity and declines it, the principal shall recommend expulsion and immediately send all of the documentation of the incident to the School Board Hearing Officer.

At this time, the School Board Hearing Officer, acting as the Superintendent's designee, shall review the facts pertaining to the offense and shall request a conference with the parent/guardian and the suspended student within the suspension period.

Bus Revocation - Bus riding is a privilege, which may be revoked. If a student repeatedly displays inappropriate behavior on a bus, the student may be referred to the appropriate Chief Officer (Elementary, Middle or High School) for possible revocation of bus privileges. Commission of a Class IV Offense on a school bus will result in revocation of bus privileges.

Expulsion – Removal of the right and obligation of a student to attend a public school under conditions set by the School Board for a period of time not to exceed the remainder of the school year and one (1) additional year of attendance.

The School Board may expel a student from school based on grounds specified in the Code of Student Conduct. Expulsion means the removal of the right and obligation of a student to attend a public school under conditions set by the district school board, and for a period of time not to exceed the remainder of the term or school year and an additional year of attendance. Expulsions may be imposed with or without continuing educational services and shall be reported accordingly. The School Board has the sole authority to expel students pursuant to Florida Statute 1006.07.

ALTERNATIVE EDUCATION PLACEMENT PROCEDURES

All alternative education center packets must be forwarded to the Hearing Office for review by the second (2) day of the suspension. No student should remain suspended for more than five (5) days without a due process hearing or administrative placement at an alternative school. Refer to procedures regarding students with disabilities and Section 504 students involved with multiple Class II, Class III, and/or Class IV offenses.

Placement Of Students At Alternative Schools - Florida Statute, Section 1003.53 (5) states that “the school principal or his or her designee shall, **prior** to placement in a dropout prevention and academic intervention program or the provision of an academic service, provide written notice of placement or services by certified mail, return receipt requested, to the student's parent/guardian. The parent/guardian of the student shall sign an acknowledgment of the notice of placement for service and return the signed acknowledgment to the principal within three (3) days after receipt of the notice. The parents/guardians of a student assigned to such a dropout prevention and academic intervention program shall be notified in writing and entitled to an administrative review of any action by school personnel relating to such placement pursuant to the provisions of Florida Statute 120.

1. **Within twenty-four (24) hours of suspending a student for the purpose of transferring to an alternative education center, the Principal shall send the parent/guardian a certified letter, return receipt requested, informing the parent/guardian of the placement**. This notice shall include the suggested date for a parent/guardian conference, as well as the automatic date of placement in the event the parent/guardian fails to respond to the notice. The Notice of Pupil Placement at an Alternative School must be sent via certified mail, return receipt requested, whether the parent/guardian is contacted by phone or not (or receives a copy of the charges and Parent Checklist in a face-to-face conference).
2. The Parent Checklist contained in the **Alternative Education Centers' Admissions Packet must be given to parent/guardian during the parent/guardian conference**. The checklist serves as written documentation that the parents/guardians were informed of the charges against their child, provided an opportunity to refute or show mitigation to the charges, and discusses alternative disciplines. The checklist also serves as documentation of parent's decisions regarding the student's placement at an Alternative School and informs them of the Appeal Process.

The discipline/administrative transfer of a student to the alternative center should take place on or before the fifth (5th) day of suspension. However, if the parent/guardian indicates on the parent conference checklist that they would like a review of the principal's decision, the school shall immediately forward the student's Alternative School admission packet to the appropriate Chief Officer (Elementary, Middle or High School) office for Class III offenses or to the Hearing Officer for 2.19 and Class IV offenses. *The review/appeal process does not postpone the pending disciplinary action unless a written agreement can be established between the parent/guardian and the principal that the child should remain suspended until resolution of the appeal.* **Parents/guardians who fail to enroll their child in an alternative school setting may violate compulsory school attendance requirements and are subject to criminal prosecution under Florida Statutes, Section 1003.27 (2). No student should remain suspended for more than five (5) days without a due process hearing or administrative placement at an alternative school**.

3. If a satisfactory resolution between the parent/guardian and school administrator cannot be obtained, the parent/guardian may request a review by the Chief Officer (Elementary, Middle or High School). This is a review of documentation only and does not involve a formal hearing. The Chief Officer (Elementary, Middle or High School) review will result in a written response within two (2) working days.
4. Following the review of the principal's decision by the Chief Officer (Elementary, Middle or High School) or his/her designee, upon request; a parent/guardian may have an administrative review. The Hearing Officer will have this responsibility. The Hearing Officer will issue a final order upon the completion of the administrative review.

Appeals Procedures

Procedures for Appealing Disciplinary Actions - Parents/guardians wishing to appeal a disciplinary action for a Class I, II, or III offense may appeal to the principal/designee within three (3) days. If a satisfactory resolution cannot be obtained, the parent/guardian may appeal to the appropriate Chief Officer (Elementary, Middle or High School). This appeal is a review of documentation and does not involve a formal hearing.

Procedures for Appealing Placement at an Alternative Education Center - Parents and guardians wishing to appeal the recommendation of placement of their child at an alternative education center are entitled to an administrative review of any action by school personnel relating to such placement pursuant to the provisions of Florida Statute Chapter 120.

1. The discipline/administrative transfer of a student to the alternative center should take place on or before the fifth (5th) day of suspension. **However, if the parent/guardian indicates on the parent conference checklist that they would like a review of the principal's decision, the school shall immediately forward the student's Alternative School admission packet to the appropriate Chief Officer (Elementary, Middle or High School) office for Class III offenses or to the Hearing Office for 2.19 and Class IV offenses.**

The review/appeal process does not postpone the pending disciplinary action unless a written agreement can be established between the parent/guardian and the principal that the child should remain suspended until resolution of the appeal. No student should remain suspended for more than five (5) days without a due process hearing or administrative placement.

2. If a satisfactory resolution between the parent/guardian and school administrator cannot be obtained, the parent/guardian may request a review by the Chief Officer (Elementary, Middle or High School). This is a review of documentation only and does not involve a formal hearing. The Chief Officer (Elementary, Middle or High School) review will result in a written response within two (2) working days.
3. Following the review of the principal's decision by the Chief Officer (Elementary, Middle or High School) or his/her designee, upon request; a parent/guardian may have an administrative review. The Hearing Officer will have this responsibility. The Hearing Officer will issue a final order upon the completion of the administrative review.

FELONIES COMMITTED BY STUDENTS

Following appropriate due process procedures, a student charged with a felony or delinquent act that would be a felony if committed by an adult, whether it occurred on or off the school property, may be assigned to an alternative program or receive alternative educational services. Such assignment may be made upon determination that the student is eligible according to federal and state program criteria, and:

- ❖ The nature of the offense is such that the student poses a threat to safety of other students or personnel at school,
- ❖ The student's safety is at risk by remaining in school with other students

The recommendation of the principal to exercise this policy must be approved by their Chief Officer.

SCHOOL RESOURCE OFFICER SERVICES

The Duval County Public Schools assigns and supervises school resource officers in all middle and high schools within the district. The school resource officer program has been in existence since 1990, and was designed as a delinquency prevention/intervention based program, geared towards fostering a better understanding between law-enforcement officers and students in the district.

"Project Safe Students in Schools"

The goal of "Project Safe Students in Schools" early intervention program is to provide a safe and secure learning environment where teachers can teach and students can learn by providing prompt, intensive, individualized and effective intervention strategies to break the cycle of unacceptable behavior and focus on reducing violence, the threat of violence and the fear of violence in schools. Parental involvement is a critical component of this program. For more information on the "Project Safe Students in Schools" early intervention program, please contact the school resource officer at your respective school or DCPS Police at (904) 858-6100.

Examples of acceptable reasons for tardiness are the same as the examples of acceptable reasons for excused absences.
- B. A student has the responsibility to be in class on time. A student failing to make an effort to attend class in a timely manner shall be considered truant and subject to disciplinary action. A student's excessive unexcused tardiness shall be considered willful disobedience, and the student shall be subject to disciplinary action.
- C. Accumulation of tardies shall be on a nine week grading period. Schools with electronic tardy tracking systems shall track tardies on an aggregate basis. Schools without electronic tardy tracking systems shall track tardies by period.

Consequences or Disciplinary Actions for Tardiness in a Grading Period

For the first three (3) tardies, the tardies are documented and the consequence shall be student notice and a verbal warning by the teacher or electronic tardy tracking system.

C above, during each grading period, the principal or designee shall notify parents/guardians by phone or in writing on or before the third absence of the student from school. Within each grading period, parents/guardians shall be notified in writing upon the fifth absence of the student to request their cooperation in preventing further absences. Principals may authorize a waiver of notification if school personnel have determined the student has contracted an illness, such as a communicable childhood disease, resulting in an extensive number of absences.
- B. Students who are absent shall receive a grade of zero (0) for work missed for the day(s) in which the absence(s) occur. Students shall be responsible for making up missed work for each absence. Students shall receive appropriate grades for the make-up work to replace the zero (0). The school principal shall determine the appropriate length of time for completion of assignments.
- C. Each elementary school shall develop a written incentive plan for encouraging and motivating students to attend school. Incentives may include certificates, awards, special events, or participation grades for exemplary attendance. Each elementary school shall submit its incentive plan for approval to the appropriate Chief Officer, K-5.
- D. Nonattendance for instructional activities is established by an accumulation of tardiness, early checkouts and absences for all or any part of the school day. For learning activities to be fully effective, it is reasonable to require that each student arrive to class on time and remain for the entire school day. A student who is tardy to class or who is checked out not only places his or her learning in jeopardy but also interrupts the learning of other students.
 - 1. Tardiness is defined as the physical absence of a student in the classroom at the beginning of a regularly scheduled session at which he or she is scheduled to be present when the school tardy bell rings.
 - 2. Early checkout is defined as a parent or guardian signing out a child before the end of the school day.
 - 3. A parent/guardian shall notify the school as to the reason for the tardiness or early checkout. Justifiable reasons shall be determined by the principal.
 - 4. Schools shall establish procedures for early checkouts that ensure students are treated consistently. A student should not be released within the final forty-five minutes of the school day unless the principal/designee determines it is an emergency or an excused event.
 - 5. The School will provide written notice to parents/guardians after three tardies or three early checkouts within thirty days. Additional tardies or early checkouts will result in the following interventions:
 - a. A mandatory parent/guardian conference with the guidance counselor.
 - b. A mandatory conference with the principal.

- c. In accordance with the Code of Student Conduct, other appropriable penalties such as detention beyond the regular school schedule or appropriate counseling programs for students and parents/guardians may be administered at the school principal's or designee's discretion.
- 6. Students will not be recognized by the school for perfect attendance when they have three or more unexcused tardies or three or more unexcused early checkouts.
- 7. The accumulation of unexcused tardies or six early checkouts in any forty-five day grading period will result in the student and their parents/guardians being referred for the following interventions:
 - a. Conference with the Principal or designated staff.
 - b. Referral to the Attendance Intervention Team
 - c. At the principal's discretion, assignment to Saturday School as detailed in the Code of Student Conduct.
- 8. For the purposes of this policy, tardiness and early checkout without an acceptable excuse are seen as violation of 1003.21, F.S. (compulsory attendance).
- 9. A parent or guardian may appeal an unexcused tardy or unexcused early checkout if the parent or guardian has documented proof of a student's chronic illness as a reason for the tardiness or early checkout.

NOTE: Pursuant to Florida law, out-of-school suspension is not a permissible disciplinary action for tardies or multiple tardy behaviors.

V. Middle School Grades (6-8) and High School Grades (9-12)

- A. Notwithstanding Section I. C above, during each grading period, the principal or designee shall notify parents/guardians by phone or in writing on or before the third absence of the student from any class period or school day. Within each grading period, parents/guardians shall be notified in writing upon the fifth absence of the student from any class period or school day to request their cooperation in preventing further absences.
- B. Students who are absent shall receive a grade of zero (0) for work missed for the day(s) or class periods(s) in which the absence(s) occur. Students shall be responsible for making up missed work for each absence. Students shall receive 100% credit for the make-up work for all absences completed within the allotted time. The school principal shall determine the appropriate length of time for completion of assignments.
- C. Students with unexcused absences shall be held accountable through provisions of the *Code of Student Conduct*. Other appropriate penalties, such as detention beyond the regular school schedule or appropriate counseling programs for students and parents/guardians, may be administered at the school principal's or designee's discretion.
- D. Any student who misses more than eight (8) days of a course or four (4) days on a block schedule during one grading period must meet both criteria below to be eligible for a passing grade (A-D) in that course:
 - 1. The student passes the required comprehensive quarter exam or the required comprehensive project in the course. A comprehensive exam or comprehensive project will be given to all students in courses for each grading period; and
 - 2. The student has an overall passing grade in the course for the grading period.

NOTE: Pursuant to Florida law, out-of-school suspension is not a permissible disciplinary action for tardies or multiple tardy behaviors.

VI. Attendance at an Alternative Center

- A. Students who are enrolled in an alternative center at the end of the school year shall return to the center for the following school year unless otherwise determined by the School Board Hearing Officer.
- B. Students who are assigned to an alternative center may attend summer school provided they meet criteria for attendance.

1. Designated personnel in the centers shall notify the principal of the school where the student is regularly assigned of the student's current enrollment and attendance in the center's summer school program.
2. In no case may a student attend summer school at his/her regularly assigned school.

VII. This policy will be reviewed every June

Immunization and Health Requirements for School Attendance

Florida law requires students enrolling into Florida Schools to show proof of required immunizations or proper exemptions. Those who fail to meet these requirements will be excluded from school until proper documentation is provided.

Who needs proof of immunizations?

All students entering, attending, or transferring into Florida schools must have a Florida Certificate of Immunization (DH Form 680 part A) or an exemption on file at the school.

Can a student enroll without the proper immunizations?

Students not presenting the required certification of immunization or exemption will be refused admittance to school and referred to their physician or the Duval County Health Department for the proper documents.

Besides a physician's office, where can my child receive the required immunizations?

There are several clinics around Jacksonville that offer immunizations at no cost. Call the Duval County Health Department at 253-1000 for information.

Immunization requirements for pre-school, (students entering, attending, or transferring):

- ❖ Four doses DTaP (diphtheria, pertussis, tetanus) vaccine with the last dose given on or after the fourth birthday or a fifth dose is required
- ❖ Three doses of polio vaccine with the last dose given on or after the fourth birthday or a fourth dose is required
- ❖ MMR (measles, mumps, rubella) vaccine given on or after the first birthday

What are acceptable exemptions?

- ❖ Permanent Medical Exemption - issued by physician
- ❖ Temporary Medical Exemption - issued by physician or authorized designee
- ❖ Religious Exemption - issued by health department

What is the schedule of doses for the Hepatitis B Vaccine?

After the initial dose, the second is given one month later. The usual interval between the second and third dose is five months. If a dose is given too soon it is considered invalid and another dose will be required. Students must complete all doses or have an exemption in order to attend school.

Is a health examination required for all students?

Initial entrants into Florida School (pre-kindergarten, kindergarten, and transfer) need to present certification of a school-entry health examination performed within one year prior to enrollment (date of entry) or submit an exemption.

What is Meningococcal Disease?

(Excerpts taken from Meningococcal Disease. In-short, <http://www.cdc.gov/meningitis/about/index.html> 9/11/07)

Meningococcal disease is a severe bacterial infection that can cause meningitis, bloodstream infection and other localized infections. Although the disease is not common in the United States, in those who get it, symptoms develop and progress rapidly even leading to death in 24-48 hours. Symptoms may be characterized by fever, headache, stiff neck, nausea, sore throat, mental status changes, bloodstream infection and rash.

Meningococcal disease is usually spread through direct contact with nasal or mouth discharge.

There are two meningococcal vaccines available in the United States. Both vaccines can prevent certain types of meningococcal disease. For more information on who should or should not get the vaccine, please consult your physician or health care provider. Also, please visit the following website for additional information:

- I. It is essential that schools be safe and orderly to provide environments that foster learning and high academic achievement. This policy implements the State Board of Education's Zero Tolerance Policy as outlined in Florida Statutes, including:
 - A. Definition of Terms
 - B. Victimization of students
 - C. Felony or misdemeanor as defined by Florida Statutes, Section 775.08.

- II. The legislature has found that zero-tolerance policies are not intended to be rigorously applied to petty acts of misconduct and misdemeanors and that zero tolerance policies must apply equally to all students regardless of their economic status, race or disability. The Superintendent shall annually identify the Student Code of Conduct violations that are Petty Acts of Misconduct and which offenses are a Serious Threat to School Safety. The annual list of Petty Acts of Misconduct shall include all of the acts listed in Florida Statute 1006.13. For the purposes of this policy, the following terms are defined:
 - A. Petty Acts of Misconduct - Any misdemeanor or local ordinance violation; any Class I Student Code of Conduct violation; and those Class II or Class III Student Code of Conduct violations that are not designated annually by the superintendent as Serious Threats to School Safety.
 - B. Serious Threats to School Safety - Any felony involving violence or threat of violence; any offense involving the possession of a firearm or other weapon; all Class IV Student Code of Conduct violations and those Class II and III violations designated annually by the Superintendent.

- III. The school principal shall ensure that all school personnel are properly informed as to their responsibilities regarding crime reporting, that appropriate delinquent acts and crimes are reported properly, and that actions taken in cases with special circumstances are properly taken and documented. Criteria for reporting violations shall be as follows:
 1. All Student Code of Conduct violations will be properly investigated and documented. Petty Acts of Misconduct shall be handled using disciplinary actions as provided in the Student Code of Conduct. School administrators shall determine if alternatives to arrest such as, but not limited to, restitution, teen court, behavior contract, or participation in District alternative programs are appropriate. Referrals to law enforcement personnel for Petty Acts of Misconduct shall be made by those school-based administrators designated by the school principal.
 2. Acts that pose a Serious Threat to School Safety, whether committed by a student or adult, shall be reported to a law enforcement agency. Law enforcement personnel shall utilize agency protocol to determine what action should occur.

- III. Every student shall have the right to review the disciplinary action imposed for Student Code of Conduct violations.

- IV. Students found to have committed one of the following offenses on school property, school sponsored transportation or during a school sponsored activity shall be expelled, with or without continuing educational services, from the

student's regular school for a period of not less than one (1) full year and be referred to the criminal justice or juvenile justice system:

- III. The School Board may assign the student to a disciplinary program for the purpose of continuing educational services during the period of expulsion.
 - IV. The Superintendent may consider the one (1) year expulsion requirement on a case by case basis and request the School Board to modify the requirement by assigning the student to a disciplinary program or second chance school if the request for modification is in writing and it is determined to be in the best interest of the student and the school system.
 - V. If a student committing any of the offenses in this policy is a student with a disability, the School Board shall comply with the applicable State Board of Education rules.
 - VI. Upon being charged with the offense, the student shall be removed from the classroom immediately and placed in an alternative school setting or will receive work assignments at home, while pending disposition.
 - VII. The Duval County School Board will convene an expulsion hearing for students found to have committed a Zero Tolerance Offense, even if the student withdraws from school after committing the code of conduct offense.

GUIDELINES FOR SAFE AND ACCEPTABLE USE OF COMPUTERS AND THE INTERNET

In preparing our students for the 21st Century, each Duval County Public School (DCPS) student will be assigned a computer network login that will provide the student with access to the Internet. The proper use of the Internet provides opportunities for research, learning, and web-based educational programs. The use of the DCPS network or computers is a privilege that may be restricted or removed by school based administration, automated content control systems, or the Office of Information Security. Students must abide by guidelines described in this document, the Code of Student Conduct, and the District's Acceptable Use Policy.

The school's mission, goals, objectives and standards will guide the instructional use of technology resources, including computers, software and the Internet. The DCPS' goal in providing Internet connectivity is to establish direct access to appropriate materials that support curricular goals and objectives. School faculty will integrate thoughtful use of computer technology throughout the curriculum and provide guidance and instruction to students in its use. Teacher supervision of independent student computer and Internet activities is the key element in effective and safe use of these resources by students. Teachers may present web sites to students during instructional times.

DCPS acknowledges the fact that inappropriate materials exist on the Internet and will do everything it can to actively avoid them, including the use of filtering software. **The DCPS has implemented technology protection measures that filter Internet access to block visual displays that are obscene, pornographic, or harmful to minors, but this technology is not 100% effective.** Student Internet access is monitored, but not every instance of inappropriate use can be reported to the school or parent/guardian. No software can filter out all of the materials that are unacceptable in an educational setting and it should be clearly understood by all students and their parents/guardians that intentional access to such material, in any form, is strictly forbidden.

DCPS makes no guarantee that the functions or the services provided by or through the District's network will be error-free or without defect. The District will not be responsible for any damage suffered, including but not limited to, loss of data or interruptions of service. Students are responsible for making a back up copy of crucial files. The District is not responsible for the accuracy or quality of the information obtained through or stored on the network. The District will not be responsible for financial obligations arising through the unauthorized use of the network as the result of intentional misuse.

Students that demonstrate the inability to properly use technology resources may have those resources restricted or removed. This may have a detrimental effect on the student's ability to access online curriculum resources including grade recovery and intervention program.

If a student feels there is a problem or feels uncomfortable with the information someone is transmitting to them, the student should tell his/her teacher or school site administrator. Students shall immediately notify a teacher or administrator if inappropriate information is mistakenly accessed or found anywhere on the DCPS network including student shares.

Students and other users access a computer with unique network accounts or ID and passwords. **ID and passwords must never be shared. Students are responsible for any activity that occurs under their account. Students have no expectation of privacy while utilizing the DCPS network, computers, or any device that is attached to it.**

Plagiarism and Copyright Infringement

- Students will not plagiarize works that they find on the Internet. Plagiarism is adopting the ideas or writings of others and presenting them as if your own. Credit should always be given to the person who created the words or idea.
- Students must respect the rights of copyright owners. Copyright infringement occurs when the student inappropriately reproduces a work that is protected by a copyright. If students have questions about possible copyright infringement, they should ask a teacher or school's media specialist.
- Unless it is otherwise stated, assume that all materials on the Internet, including web sites and graphics, are copyrighted, and that existing **copyright guidelines**, such as those involving photocopying, electronic copying, multimedia, and fair use, apply. Students using computers and the Internet should be aware of what is and is not allowed as it pertains to software, multimedia productions, and web publishing.

Netiquette Rules

Users must abide by network etiquette rules. These rules include, but are not limited to, the following:

- Be polite – rudeness is never acceptable.
- Understand that when you post something on the Internet, it is there forever and you no longer have control of who sees it or what they do with it.

Do use the Internet to help with schoolwork. The Internet is a source of great volumes of information. It's like having the world's largest library at your fingertips!

- Do not provide any personal information (such as name, address/telephone number, social security number).
- Use appropriate language. Do not swear, use vulgarities or any other inappropriate language.
- Do not use the network in such a way that you would disrupt the use of the network by other users.
- All communications and information accessible via the network should be assumed to be private property.
- Do use the Internet to learn more about colleges and universities. Many colleges let you take a "virtual tour" of the campus, or submit applications for admission or financial aid applications on line.

Disciplinary Action

USE OF COMPUTERS AND THE INTERNET

Possible consequences for violations of the DCPS use of computers and Internet policies include, but are not limited to:

- Suspension or limited access of the Internet.
- Suspension of DCPS network privileges.
- Suspension of computer access.
- Disciplinary actions as outlined in the Code of Student Conduct.

It is the parents'/guardians' responsibility to ensure that their child maintains regular communication between home and school. When either parents/guardians or school employees deem it necessary to meet regarding concerns about the student's education or a disciplinary matter, the student, parent/guardian has a right to be represented by an attorney of his/her choice throughout the process.

Student Rights and Responsibilities

It is the intent of the Duval County School Board, as expressed in the **Student Rights and Responsibilities** section of this document, which students understand that individual rights involve associated responsibilities, and the individual rights must be viewed in relationship to the health, safety, and welfare of the majority of students within each school. The principal has administrative and instructional leadership responsibility under the supervision of the Superintendent, in accordance with the rules and regulations of the School Board, for planning, management, and operation of the school to which he/she is assigned. The faculty and staff shall assist in the orderly operation of the school and assure the rights of students.

Student Rights and Responsibilities – Attendance

- ❖ To have access to individual and group counseling
- ❖ To request a change of counselor

Student Responsibilities

- ❖ To use guidance services for his/her own educational and personal improvement
- ❖ To schedule appointments in advance, unless the problem or concern is one of an emergency
- ❖ To work cooperatively with all school personnel

Student Rights and Responsibilities – Curriculum

Philosophical Basis - The degree of curriculum involvement is a function of age, grade, maturity, and sophistication on one hand, and the level and complexities of courses on the other.

Student opinion regarding curriculum offerings is extremely important and deserves careful analysis and consideration.

Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety, and welfare of all students.

Privacy on computers and the Internet is not guaranteed. In accordance with the Electronic and Communications Privacy Act of 1986 (18 USS Section 2510), all students are hereby notified that there are no facilities provided by Duval County Public Schools (DCPS) that allow the sending or receiving of private or confidential electronic communications. All electronic communications will be determined to be readily accessible to the general public. The DCPS system reserves the right to monitor all traffic on the network and review all files stored on or transmitted through its computer systems. This is done to preserve the integrity of the network and to ensure that the DCPS's computers continue to function properly for all users

No personal information, such as name, address and phone number should be shared via the Internet. When using any computer network to communicate with others, students should think carefully about what they say and how they say it. When on the Internet, a student should keep the following in mind:

- ❖ He/she cannot see the other person
- ❖ He/she cannot tell how old the other person is or what sex they are
- ❖ A person can tell the student anything; therefore, a student cannot always be sure that what the person is telling him/her is true

If a student feels there is a problem, or feels uncomfortable with the information someone is transmitting to him/her, the student should tell his/her teacher, school site administrator or technology representative immediately.

Student Rights

- ❖ To maintain privacy of personal possessions, unless appropriate school personnel have reasonable cause to believe a student possesses any object or material which is prohibited by law or School Board policy

- ❖ To inspect, review, and challenge the information contained in records directly relating to the student
- ❖ To be protected by legal provisions which prohibit the release of personally identifiable information (without the consent of the parent/guardian or eligible student) to other than legally authorized persons (Eligible students are those eighteen (18) years of age or over and/or those attending a post-secondary institution).

As part of the educational curriculum, and under the supervision of school staff members, official student publications, such as the school newspaper, should offer the opportunity for students to share a variety of viewpoints as part of the learning process. School principals have final editorial control over the style and content of all student publications.

Student Rights

Student Responsibilities
