Teacher's Name (please print) _____

I was given a copy of the Don Brewer Elementary School's Schoolwide Discipline Plan. I know that this plan contains specific behavior standards for students at Don Brewer to follow each school day. I understand that it is my responsibility to learn these standards and to know what will happen if I do not follow these behavior standards. I will read over this copy of the Don Brewer Elementary School's Schoolwide Discipline Plan with my parent(s)/guardian(s).
