## Curriculum

**Our curriculum revolves around monthly themes. Each theme teaches new vocabulary. Some of our themes include:**

**Parts of the Body**

**Animals**

**Clothing**

**Feelings**

**Colors & Shapes**

**Numbers & Counting**

**Seasons & Weather**

**Foods & many more!**

**Our experienced teachers incorporate singing, music, games, puppets, drama, stories, art and more to make classes fun!**

### Benefits of a Foreign Language

*Research shows children who learn a second language:*

- Demonstrate enhanced listening and memory skills
- Are more creative and better at complex problem solving
- Have an innate ability to acquire the rules of any language
- Develop cross cultural skills and awareness
- Demonstrate divergent and higher order thinking skills.

**Tuition: \$36 per month**
