

Don Brewer Elementary School

"Where Great Minds Grow and Students Bloom"

Marianne G. Lee, Principal

Dear Don Brewer Parents/Guardians,

In advance, I am asking for assistance in a highly important matter in your child's education. School begins at 8:30 a.m. We have a series of three bells signaling the beginning of school. The first bell rings at 8:25 and a second at 8:30.

Instruction begins at the last bell at 8:30 which also is the official beginning of the school day. If your child arrives late for any reason, please come into the front office for a tardy slip. At that time I am asking that parents/guardians do not accompany children to class after 8:30. If you have any problem with your child walking to class unaccompanied after 8:30, please let the receptionist know and a school employee will accompany the child to class. Please understand that teachers are prepared to begin instruction as soon as the last bell rings.

I strongly encourage you to have your children to school on time so that they do not miss important instruction. If you have any questions, feel free to contact me at 745-4990. Thank you for entrusting your children to us.

Sincerely,

Marianne G. Lee

Principal
