

BUCKling Down to Business

Dear Parent or Guardian,

The school year is off to a great start! Our students and teachers are already working diligently each day to achieve high levels of academic success. The exciting news is that we are offering 20 *additional* opportunities for students to receive academic support, to practice and enrich the skills and strategies they are learning in class, and to receive tutoring in a small group setting. These opportunities will be provided through our **FCHS Saturday School**.

Our **Saturday School** sessions **begin Saturday, September 11th**. Sessions will begin promptly at 9:00 A.M. and will end at 12:00 noon. **All students in grades 9 through 12 are eligible** to participate in this free program. We will not have buses, so you must provide transportation for your student.

During Saturday School students will have an opportunity to work in the following areas: preparation for college entrance exams; preparation for FCAT reading, writing, and math tests; preparation for Advanced Placement exams; and grade recovery.

The dates for **Saturday School** are as follows:

September 11, 18, 25	October 2, 9	November 6, 20	December 4, 11
Jan. 8, 29	Feb. 5, 26	March 5, 12, 19	April 9, 16
May 14, 21			

If your student will attend our **First Coast High Saturday School**, please complete the registration portion of this form and return it to the Main Office at the school with your student. You may also register your student by calling my secretary, Mrs. Sheely, at 757-0080 ext 107. Students must be registered to attend.

Our teachers are so dedicated to helping students that they are volunteering their time for these sessions. Please encourage your student to take advantage of this wonderful opportunity. Your support is vital to our students' success.

Sincerely,

Deborah P. Smith
Principal

My student _____ has my permission to attend the **Saturday School** sessions at First Coast High School.

Signed _____
