Duval County Public Schools

Publications, Video, Internet Consent and Release Agreement

Students who attend school in the Duval County Public Schools (DCPS) are occasionally asked to be a part of school and/or District publicity, publications and/or public relations activities. To guarantee student privacy and ensure your agreement for your student to participate, the District asks that you and the student sign and return this form to the school for each of your children.

The form referenced below indicates approval for the student's name, picture, art, written work, voice, verbal statements or portraits (video or still) to appear in school publicity or district publications, videos or on the District's website. For example, pictures and articles about school activities may appear in local newspapers or district publications. These pictures and articles may or may not personally identify the student. The pictures and/or videos may be used by the district in subsequent years.
