

# Adjusting the Focus

March 3-7

"Adjusting the Focus" is a weekly update on what's happening academically at First Coast (specifically the Instructional Focus) and is brought to you by the instructional coaches, Brenda Matthews & Margie Nolan.

## Instructional Focus for March 3-7

### • **Reading Instructional Focus – Inference**

- Mini-Assessments are complete. The area diagnosed as weakest is Inference. We are asking all content-area teachers to work with inference skills from now until the FCAT in March.
