

Adjusting the Focus

November 26-30

"Adjusting the Focus" is a weekly update on what's happening academically at First Coast (specifically the Instructional Focus) and is brought to you by the instructional coaches, Brenda Matthews & Margie Nolan.

Instructional Focus for November 26-30

- **Reading Instructional Focus – Cause & Effect**
 - English, Social Studies, Science 9 & 10, and electives are infusing Cause & Effect into their regular curriculum. **Re-teach and re-test Comparison/Contrast.** Mini-assessment for Cause & Effect is November 29 & 30.
- **Math Instructional Focus – Geometry & Spatial Sense**
 - Math teachers (9 & 10) are focusing on this strand. **Re-Teach and re-test Measurement.** Mini-assessment is December 10 & 11.
- **Science Instructional Focus – B147**
 - Science Teachers (11th) are focusing on these strands. Mini-assessment is Dec. 11 & 12
