

# Important Notice for parents of K-2

Duval County Public Schools, Faith-Based Organizations  
& the Jacksonville Public Library

Hosts

## Parent Meetings on F.A.I.R. for K-2 Parents

Parents and caregivers of children who are in Kindergarten, First, and Second grade are cordially invited to learn more about the updates to the Student Progression Plan, and how the State's Florida Assessment for Instruction in Reading (F.A.I.R.) is used to identify students' instructional needs in reading in order to read at or above grade level.

School District employees will be in attendance to answer questions and facilitate the community conversation around F.A.I.R, summer learning opportunities for students who do not score at or above 54% on the PRS (Probability of Reading Success). Parents and caregivers will learn ways to help their child to be a better reader.

Join us at any of the four locations from

5:30p.m. - 7:00 p.m.

January 30: Woodlawn Presbyterian Church

February 27: South East Regional Branch

March 26: West Regional Branch

April 30: Main Branch- Downtown
