# A School's Vision

*'You cannot have a learning organization without a shared vision...A shared vision provides a compass to keep learning on course when stress develops.'*

By: Peter Senge

## **Mission**

*To create college ready students by providing a quality education in a safe environment.*

## **Vision**

*To provide a safe and educational environment for every student to be college ready through the use of technology, collaboration, and real life experiences.*

## **2011 Theme**

*“Where We Are B-coming A College-going Culture”*

# ***Our 2011-2012 Charge is to:***

- ***Increase Rigor** by ensuring all student work is based on FCAT 2.0 Item Specifications and NGSSS Content*
- ***Promote Literacy** through building-wide reading strategies and ensuring all students read 6 books per nine weeks.*
- ***Building a Learning Culture** by empowering teacher leaders and creating respectful relationships with all stakeholders.*

# A Principal's Vision

*Where there is no  
vision the people  
perish.*  
— Proverbs 29:18

# *When I leave this school I would like to be remembered for...*

- *creating a safe environment for students and teachers,*
- *facilitating a positive instructional learning experience through rigorous teaching,*
- *establishing a culture of learning for all students defined by data driven growth targets,*
- *demanding high expectation for all stakeholders.*

# I want my school to become a place where...

- *teacher leaders are celebrated,*
- *parents feel welcome to participate in their child's educational environment,*
- *student learning is the foundation of all work,*
- *all stakeholders have a shared vision,*
- *relationships are valued.*

# The kind of school I would like my own children to attend would...

- *Ensure student learning for all students by teachers who foster positive relationships with the students and parents within a safe learning environment.*

# The kind of school I would like to teach in would...

- *support teacher leaders,*
- *provide on-going professional development based on instructional needs,*
- *nurture positive relationship within the school culture.*

Envisioning my school five years from now. In what significant ways would I like it to be different than it is today?

- *Jeff Davis will become an educational environment for every student to become college ready through the use of technology, collaboration, and real life experiences.*
