Online Gradebook Parent Portal

Dear Parent/Guardian,

The Online Gradebook Parent Portal will be available October 23, 2009. The Parent Portal will provide parents, guardians, and students with information about grades, progress, events, and attendance. The portal also provides links to teacher web pages. At a later date, you will be provided with a username and password to access the portal. As we prepare to allow you access, we are requesting the information listed below to verify we have the correct contact information for all students and their parent/guardian. Having the correct contact information will ensure that parents, guardians, and student will have great success when accessing the portal. Please return the form below by October 21, 2009, to the guidance office.

Thank you,

Katrice Scott
Assistant Principal, Curriculum
