**Please read the On-Campus Parking Rules, Regulations, and Restrictions on the back of this page.*

All students who receive a parking permit must adhere to the following. Failure to comply could result in suspension or revocation of parking privileges.

1. Static cling decals must be displayed in the bottom left corner of the windshield.
2. If you drive a secondary vehicle that you have registered, transfer your decal to the designated position on the windshield.
3. If you have lost your decal, notify student services to receive a replacement or temporary permission to park on campus.
4. Students must park in their assigned space in their assigned parking lot.
5. Loitering in the parking lot before or after school is not permitted. When the bell rings, you must leave school grounds unless you are attending a school-sponsored activity.
6. Students may not go to their vehicles during school hours. Take your books, lunch, projects, etc. with you when you leave your vehicle in the morning. If you need to go to your car, you must go through Student Services and obtain a pass.
7. Paxton administration and the SRO have the authority to search cars parked on campus when a probable cause has been determined, i.e. drugs, weapons, and alcohol.
8. Cars parked on campus without a permit are subject to be towed at the owner's expense.

I have read and understand the On-Campus parking rules.
