

DUVAL COUNTY PUBLIC SCHOOLS FINANCIAL AID NIGHTS 2006-2007 SCHEDULE

All Duval County Public Schools high schools host a financial aid night for their students and parents. A financial aid officer from a local college or university presents each session. The focus of each session will be the completion of the Free Application for Federal Student Aid (FAFSA).

Federal law requires the U.S. Department of Education to ensure that students can apply for federal aid without paying a fee, and to be considered for most of the federal student aid programs (such as Federal Pell Grants, Federal Direct Stafford Loans, and Federal Stafford Loans), a student must complete and submit the FAFSA. This application (available in English and Spanish) collects financial and other information used to calculate the Expected Family Contribution (EFC), which postsecondary schools use to determine the student's eligibility for aid.

Even though a student may not submit a 2007-2008 FAFSA for processing before January 1, 2007 or after June 30, 2007, some colleges and universities have limited institutional funds which are awarded on a "first-come, first-served" basis to eligible students. Therefore, it is important for students and parents to receive the information BEFORE the deadlines and submit the FAFSA as early as possible – on or after January 1, 2007.

For more information about a session, please contact one of the schools below.
