SIGNATURES

I understand the FHS Cambridge AICE Academy is a rigorous academic program for academically talented and motivated students. If accepted as a student, I agree to maintain good attendance and behavior and to strive for high academic achievement. I have read and understand the AICE Academy Honor Code and understand the potential ramifications of cheating and/or plagiarism. I also understand that some of the readings will be of a more mature and sensitive nature. These readings are assigned by the University of Cambridge and are non-negotiable. Students and parents must also understand the importance of computer access for AICE Academy students. Students must have access to a computer with Internet access and word processing capabilities either at home or in the community.
