

**EARTHWORK**  
**DESIGN GUIDELINES – DUVAL COUNTY PUBLIC SCHOOLS**

**SECTION 02200**

**GENERAL:**

1. Comply with the latest edition of Jacksonville's City, FBC and OSHA Standard Specifications for site preparation, earthwork and excavation and backfill as specified in the Paving, Drainage, Water and Sewer Sections. City requirements should be referenced but shall not comprise the entire specification for earthwork. Do not use EASY Base at any locations on DCPS projects

**END OF SECTION 02200**
