HOW TO USE THIS DIRECTORY

This Directory is divided into 2 sections. This first section lists all of the Minority Businesses certified by the Duval County School Board. The list is in alphabetical order by the company name. The name, address, phone number, contact person, category and MBE status are also provided in this list. The next section is divided in five categories: Construction, Manufacturer, Professional Services, Special Services, and Supplier. Each one of these lists is in alphabetical order according to specialized service provided.

The MBE Codes are as follows:

AA	=	African American
AA/W	=	African American Women Business Enterprise
AS	=	Asian American
AS/W	=	Asian American Woman Business Enterprise
HA	=	Hispanic American
H/W	=	Hispanic American Woman Business Enterprise
NA	=	Native American
NA/W	=	Native American Woman Business Enterprise
AW	=	Woman Business Enterprise

The Duval County School Board and any other certifying agency have made a determination that the entities shown herein are certified Minority Business Enterprise (MBE) participants, based solely on their own representations of ownership, management and licenses, in the date of application. You are encouraged to exercise due diligence and ascertain, for yourself, which MBE participants are qualified to perform specific portions of work for you on any particular project.

If you have any questions regarding an MBE on this list, please feel free to call my office at 904-858-4860

Sincerely,

Beth Tramel, Supervisor
