## Questions:

*What else does Belk have going on for us that day?*

There will be refreshments to enjoy and \$500 in school supplies that you can register to win. Stop by the Fine Jewelry Department to have your ring cleaned for free; in Cosmetics, the beauty advisors will seat you for a free personal consultation to share with you the newest beauty tips; in Intimate Apparel their trained fitters will available to fit the ladies with the perfect bra. In Belk locations with an Olan Mills Photo Studio, stop by and make an appointment for a free 8 x 10 natural color portrait.

*How do I get my shopping discount pass?*

Answer: On Wednesday, September 2 just stop by the Lancome Cosmetic counter at your local Belk. Let them know you work for us and they will have a shopping pass reserved at the counter for you. As you shop, just show the ringing associate your shopping discount pass and they will take off the appropriate special discount. While at the Lancome counter don't forget to register for the \$500 in school supplies.

*Are there any exclusions to the discount?*

Answer: Yes. The 20% off shopping pass is only good and available at Belk stores on Wednesday, September 2, 2009. In the Home Store and Shoes the discount is 15%. There are very limited exclusions where the discount does not apply like Cosmetics, Fragrances, Brighton, Wacoal, b.tempt'd, LaCoste, Ugg, Fine Watches, jewelry service plans, and the fine jewelry gift collection.

*Can I share this discount with my daughter?*

Answer: This is not a general public discount, but yes, we have arranged that you may extend the shopping pass discount to the family & friends that join you on Tuesday for your day of shopping.

Best wishes for the new school year! Again, **thank you** for what you and your staff is do for our community. We at Belk do appreciate it!
