

Regions Bank/Northeast Florida Education Guide Front Cover Art Contest

Kids, would you like to have your artwork published on the cover of next year's Northeast Florida Education Guide???

Clements Publishing Co. and Regions Bank are proud to announce the 2nd annual cover art contest open to all school-age students who live in the seven counties included in the guide.

The theme is: "What does going green in your school mean to you?"

The student with the winning entry will not only have his or her artwork printed on the cover of the next guide, but also will receive a scholarship prize worth \$2,000. The second- and third-place winners each will receive a scholarship prize worth \$1,000.

That's not all. One winner selected in each of the three school categories -- elementary, middle and high school -- will receive a green bicycle, a signature prize in Regions Bank contests.

Entry forms to enter the cover contest will be available starting Sept. 28 at any of the 28 Jacksonville area Regions Bank locations in Clay, Duval, Nassau and St. Johns counties.

****Entries must be returned to a Regions Bank location by March 31 in order to qualify. ****
