

FDLE Sexual Offenders/Predators List

Good through March 31, 2010

Use this list to screen your volunteers during the processing backlog in the Community & Family Engagement Office. If you find a name and DOB match, go online to <http://offender.fdle.state.fl.us/offender/Search.jsp> and click on "Offender Search" tab then "Standard". There you will find more information, including the individual's address and a photo. If you find a match, please notify your principal and our offices (390-2960) immediately. It is against the law to allow any Sexual Offender/Predator to be a school volunteer.
