

## **Truancy Information for Students**

Don't Walk Away From Your Future...

### **Skipping School may not be worth it!**

Thousands of students have lost the right to get a driver's license, or had it taken away because they missed too many days of school.

Judges dictate your activities when you are caught.

You will lose your right to participate in school athletics or activities.

You may not graduate.

Peer pressure can cause you to make decisions you will regret for the rest of your life.

If you stay in school, you will be a positive example to those around you.

### **What you can do:**

You can ask for help from a teacher, guidance counselor, or your parents.

You can get involved in school activities.

You have the power to resist peer pressure and be an example to your friends.

You know how to make goals for yourself and work towards achieving those goals.
