

# Duval County Public Schools

## Is dependent verification required this year?

If you choose to add a dependent to any benefit, you must provide a document verifying the dependent is eligible. You do not need to verify current dependents added in previous years. If adding a new dependent, please bring a birth certificate, adoption decree or marriage certificate to enable dependent verification. Dependents cannot be added without document verification.

### AETNA, INC Point of Service (QPOS) Rates

	20 Pay	24 Pay
Employee Only	Board Paid	Board Paid
Employee & Child(ren)	\$112.17	\$93.48
Flex to Spouse*	\$66.28	\$55.23
Employee & Spouse	\$154.44	\$128.70
Employee & Family	\$298.63	\$248.86

If you are currently under the age of 65, retired from the military, reserve, or a dependent of a military participant and eligible for TRICARE, please inquire about our supplemental plan at your benefit orientation.

## Do you still have questions?

Contact Risk Management at 904-390-2353 with any questions you may have about this year's coverage.

## Checklist

Bring the following information to your appointment when you see an Enrollment Counselor.

- Social Security Numbers** for your dependents.
- Dates of Birth** for both your dependents and beneficiaries.
- Addresses** for both your dependents and beneficiaries.
- Insurance information** for other health providers if covered under another plan.
- Dependent verification** if adding a new dependent (i.e., birth certificate, adoption decree, marriage certificate).
- Confirmation Notice** of your current benefit plans.

\* Flex to Spouse - a married couple who work for Duval County Public Schools and cover dependent children under the medical plan.
