11 and 12 month employees – Benefit deductions will begin on the 8/10/07 paycheck. These deductions represent the same enrollment information as the preceding plan year. The premiums remain the same for all plans except the medical plan. To ensure your deductions are correct on the 8/24/07 paycheck for the 07-08 plan year, your enrollment must be completed by 8/14/07. Also, 403b and 457 Deferred Compensation deductions will begin on 8/10/07.

10 month employees – Benefit deductions will begin on the 9/7/07 paycheck. To ensure these deductions are correct for the 07-08 plan year, your enrollment must be completed by 8/27/07. Enrollments after 8/27/07 will be reflected along with any adjustments on the 9/21/07 paycheck. Also, 403b and 457 Deferred Compensation deductions will begin on 9/7/07.
