

Solantic - A Duval County Public Schools Health Plan Provider

Whether you're hurt on the job, in the kitchen or on the playground, Solantic can treat your cuts, sprains, burns and strains for a fraction of the cost of an emergency room visit. To get you well, we have lab and X-ray equipment on site. You can even take your X-ray home with you on a CD!

You can walk right in, no appointment is ever needed. Solantic locations are open every day of the year, including holidays and weekends.

Our board-certified doctors are available every day of the year to help you with:

- burns
- childhood illnesses
- cold or flu symptoms
- coughs
- cuts
- ear and eye infections
- headaches
- pulled or strained muscles
- respiratory illnesses
- sore throats
- sprains or fractures
- and other urgent care conditions!

Solantic can take care of your kids too. Come home from school with a fever? Cut their knee on the slide? Bring them by -- we'll get them in, out and feeling better.

We accept all major insurance plans and have fair self-pay prices for those without insurance.

Great care. Fast and fair.
