

***School Vision*** Every student will graduate from Duval County Public Schools with the knowledge and skills to be successful in post-secondary education and/or the workforce.

***School Mission*** The Duval County School System is committed to providing high quality educational opportunities that will inspire all students to acquire and use the knowledge and skills needed to succeed in a global economy, and culturally diverse world.

***1. Increase Academic Achievement for All Students***

Increase overall achievement for all students while moving significantly toward eliminating the achievement gap of racial and ethnic groups and students from low income families.

***2. Significantly increase the graduation rate***

Increase the percentage of students graduating ready for post-secondary education and work.

***3. Employ the Best Teachers and Principals***

Hire, develop, support, and retain the best teachers and principals in the nation for all schools.

***4. Establish Safe, Secure, and Respectful Students***

Establish safe schools where all individuals are respected, valued, and feel secure.

***5. Engage Family and Community Support***

Energize families, community, civic, and business leaders and corporations to engage in the success of education.

***6. Deliver High Quality Support for Schools***

Continually enhance school performance through delivery of high quality District management, operational support, and customer service.
